creativity FREE BONUS Gift included inside the book As children art is a way of expressing the fountains of imagination bubbling within us Our favorite tool of the trade so to speak is a crayon and our messy lines and squiggles translate into masterpieces in our parents eyes Then as we grow up art becomes a waste of time We say that we re awful at art that we can t draw anything other than a stick figure We don t want to embarrass ourselves in front of other people so we put away the crayon and pick up skills we feel will benefit us more in life But again is art impractical Is it useless Without art our world would not be the same Art is creativity It is freedom of expression It is beauty and it is emotion It speaks to people and doesn t touch a single person the same way So why not drawing Even if you might have had a busy stressful day you can feel all of that stress melt away with the quiet tranquility of drawing It can be a simple 10 minute sketch or an hours long event once every Sunday for some alone time It s entirely up to you All it take is time and in return you can create works of art that will last forever You can hang these up around the house or it can substitute for a thoughtful gift over some generic store bought gift card Drawing is an act of pure creation and it can effectively convey your emotions to someone in a way far more personalized and intimate than words can With the help of several easy step by step guides in this book you will learn to draw Humans Animals Landscapes And much more So take that step into a world of limitless creation and change your life forever

Zen Doodle Drawing Sarah Niland, 2016-11-02 FREE BOOK Buy this book and get BOOK for FREE Zen Doodle is the structured mode of drawing which is more or less a way of doodling You cannot doodle mindlessly in Zen Doodle you have to

pay attention to the symbols you are drawing and you have to structure them in a well composed manner Zen Doodle consists of a chain of recurring strokes dots and curves drawn in a box When you are able to create your own patterns you can use them in various designs or shapes You can be as much creative as you want with Zen Doodle Zen Doodle is much more deliberate and focused but still it allows the Zen Doodler to have the creativity to make free forms of patterns shapes lines and shading Anecdotal reports and preliminary studies seem to support the thought that Zen Doodle is a meditative form of art that actually induces calmness and relaxation It also has a positive impact on mood stress reduction and self control It implies that if someone is suffering from mental stress over thinking or any such mental condition where they need the help of a support system Zen Doodle can come to rescue Even if you are slightly worried about your life you can take the help of Zen Doodle to put your life back in place Zen Doodle cannot solve your problems but it can give you the right frame of mind to deal with them Zen Doodling is a great method of expressing yourself Even if it is underestimated as a form of art you can doubtlessly resort to it to develop your skills Apart from curing your mental condition it can help you refine your drawing skills You can add your Zen Doodles to your portfolio of designs it will add great value to it You can add expressive illustrations to your designs to make them leave more impact There is no limit to create illustrations with Zen Doodle You can even transform the walls of your room into a work of art You never know you might start creating masterpieces in the four walls of your house only Here is a preview of what you ll learn 20 New Zen Doodle Patterns How to Zen Doodle Bird How to Zen Doodle Cat How to Zen Doodle Cube Enjoy reading and practicing and do not forget to receive your FREE BONUS BOOK All the instructions you will find at the end of the book Good luck
