A Tourism Handbook draws together a wide range of sources to provide a comprehensive handbook of tourism in the Oceania
region As tourism continues to grow in importance and significance for the countries of Oceania it is important to have a
single source of information and reference for tourism At the same time it is vital to provide a disciplined analysis of tourism
by standardising terminologies and delivering a consistency of approach for all the countries in the region The handbook
provides an anatomy of tourism in the region by taking a detailed look at each of the three key constituents of Oceania
Australia New Zealand and the Pacific Islands For each of these regions tourism demand supply and organisation have been
analysed as well as a chapter to guide the reader through the tourism statistics sources that are available The final section of
the handbook takes a thematic approach with chapters examining key issues of tourism in the region including investment air
