Don T Call Me Ishmael:

Don't Call Me Ishmael Michael Bauer,2012-01-01 By the time ninth grade begins Ishmael Leseur knows it won't be long before Barry Bagsley the class bully says Ishmael What kind of wussy crap name is that Ishmael's perfected the art of making himself virtually invisible But all that changes when James Scobie joins the class Unlike Ishmael James has no sense of fear he claims it was removed during an operation Now nothing will stop James and Ishmael from taking on bullies bugs and Moby Dick in the toughest weirdest most embarrassingly awful and the best year of their lives **The Fiction Gateway**

Suzanne Eberlé,Noelle Williamson,2009 In this guide two experienced school librarians provide a selection of books for librarians teachers and parents The Fiction Gateway is an essential resource that supports individual group and social reading program and provides an instant guide to matching children's interests with suitable reading material **They Call**

Me Ishmael John D. Kuhns,2022-02-08 Set in the South Pacific and based on true events this is a novel about war gold interracial friendship and the emergence of a new nation Growing up in Bougainville an island archipelago in the South Pacific Ishmael always wanted to be a soldier The Crisis a brutal civil war with Papua New Guinea ignited by the gargantuan Panguna Mine gives him his chance As the guerrilla leader of the Bougainville Revolutionary Army Ishmael secures a peace agreement that provides his islands with a measure of autonomy and the future right to conduct an independence referendum If the people vote affirmatively Bougainville could become the newest nation on earth In the aftermath of the Crisis Bougainville's corrupt and inept government causes a vacuum From its perch across the Pacific China salivates They covet Bougainville both for its Panguna Mine and its strategic location and are prepared to do whatever it takes to grab it When Ishmael and Bougainville's chiefs ask Jack Davis a pin striped American investor to help rebuild their economy he is intrigued Although primitive Bougainville holds billions in gold and copper and its people seem lovely Jack's life has been comfortable but things are changing His family members have moved on with their lives and his country doesn't seem to value people like him anymore Maybe Bougainville would be different That two men one black and one white from totally different walks of life could meet on a remote island and decide they stand for the same things is a testament to Bougainville and its people and shapes a story that anyone who believes in the innate goodness of humanity should read The fact that it all really happened is truly inspirational **Me, Suzy P**

Karen Saunders,2013-01-01 Fourteen year old Suzy Puttock and her three best friends lead an average teenage life spending most of their time in school home or hanging out in cafés Mishaps and cringe moments have a nasty habit of following Suzy wherever she goes but otherwise life's pretty normal She's been going out with Danny since forever her nutty older sister Amber's wedding is taking up all her family's attention and her annoying younger sister Harry is intent on making Suzy's life a misery When gorgeous new boy Zach starts showing Suzy attention she wonders if the grass may be greener on the other side of the romantic fence Before Suzy knows it she's broken up with Danny there's a huge rift in her friendship group and life is careering off track Can she sort herself out before things

are messed up completely **Don't Call Me Ishmael** Michael Gerard Bauer,2009-01-01 Ninth grader Ishmael Leseur knows it won't be long before his lame name makes him a target But all that changes when James Scobie arrives Now nothing will stop James and Ishmael in the toughest weirdest most embarrassingly awful and the best year of their lives

Road to Antietam Tom E. Hicklin,2018-08-14 In his remarkable work of historical fiction Road to Antietam author Tom E Hicklin brings readers the story of two brothers and the life altering events they experience amidst the harrowing backdrop of the American Civil War Daniel and Christopher Galloway are merely teenagers when they join the Eighth Ohio Volunteer Infantry at the beginning of the Civil War What starts out as a light hearted adventure soon descends into a brutal struggle for survival as they go from training camp to skirmishing with an elusive deadly enemy to full blown battle culminating in the single bloodiest day in American history Along the way both brothers suffer from illness exposure hunger and extreme fear and they soon come to realize that the deadly war they've chosen to fight has less to do with glory and banners and more to do with hardship and depravity In this blisteringly realistic tale centered around actual events it becomes apparent that the overall larger picture does not always reflect the singular human experience This is a story of suffering and hope adversity and compassion This a story of innocence lost and maturity gained This is a story of two brothers whose love for one another carries them through the darkest time of their lives until that fateful bloody day on the banks of the Antietam when they must face their greatest test and everything changes forever The Book of Cthulhu 2 Ross Lockhart,2012-09-25 Last year Night

entitled Martin crosses paths with Bella a beautiful and sexual young woman profoundly damaged by trauma of her own In Two Minds takes you on a quirky rollicking journey that unveils the complexities of mental illness with wit and warmth Gordon Parker s impressive career in psychiatry reveals itself through extremely rich descriptions of depression bipolar and borderline personality characteristics

The Way Home Tom E. Hicklin,2019-09-14 In the thrilling sequel to Road to Antietam Tom E Hicklin s debut novel the American Civil War enters its third year and the men and boys of the Eighth Ohio Volunteer Infantry quickly learn that the devastating events of the Battle of Antietam were just the beginning The battles get larger and the fighting more brutal and the casualty rates rise as both sides come to realize that they are pitted in a desperate conflict that will define the future of the United States In every major battle of the Eastern Theater the Eighth is there At places like Fredericksburg Chancellorsville Gettysburg The Wilderness and Spotsylvania they fight to win and survive Meanwhile on the home front the losses take their toll Families are torn apart people are pushed to the brink by grief and despair and the Galloway family is no exception Illness and death hang over the family like a shroud And through it all one young man battles grief guilt and temptation as he struggles to stay alive long enough to make it home

Legal Friction Gershon Hepner,2010 Legal Friction Law Narrative and Identity Politics in Biblical Israel tracks the mystery of narratives in the Hebrew Bible and their allusions to Sinai laws by highlighting intertextual allusions created by verbal resonances While the second and the third parts of the volume illustrate allusions to Sinai narratives made by some narratives occurring in the post Sinaitic era twenty three Genesis narratives are analyzed to show that the protagonists were bound by Sinai Laws before God supposedly gave them to Moses anticipating the Book of Jubilees Legal Friction suggests that most of Genesis was composed during or after the Babylonian exile after the codification of most Sinai laws which Genesis protagonists consistently violate The fact that they are not punished for these violations implies to the exiles that the Sinai Covenant was unconditional In addition the author proposes that Genesis contains a hidden polemic encouraging the Judean exiles to follow the revisions of laws of the Covenant Code by the Holiness Code and Deuteronomy Genesis narratives like those describing post Sinai events often cannot be understood properly without recognition of their allusions to biblical laws

Singapore Kristian-Marc James Paul,Mysara Aljaru,Myle Yan Tay,2023-01-10 Brown is Redacted Reflecting on Race in Singapore responds to expands on and questions what we think we know about the lived experiences of minority raced people in Singapore Inspired by Brown Is Haram a performance lecture on minority race narratives staged at The Substation in 2021 this anthology reflects on how brownness is constructed sidelined but also celebrated in this nation state Through a combination of essays academic works poems and stories by brown individuals Brown is Redacted both attempts to and fails to create a singular brown experience What this anthology does produce instead is a moving and expressive work of solidarity and vulnerability Brown is Redacted is an incredible and much needed collection of work that challenges preconceived notions about state and socially created categories The works here interrogate the nature of identity using the lenses of art academia and personal experience and capturing the dreary pain of being othered as well as the powerful joy of being seen The writers hold nothing back offering their hurt tenderly showcasing the beauty in the under represented and triumphantly celebrating individuality Akshita Nanda co winner of the Singapore Literature Prize in English Fiction Brown is Redacted through its ambition and lyricism liberates us from the multicultural straitjacket stitched in the 1960s On every page is a voice that has risen from the interstices of overlapping traditions and generations Together they lay bare the complexities of the brown experience the rawness of the struggle the absurdity of the ignorance the radical agency of choice the ecstasy of solidarity We can transcend To be brown in Singapore is to dance between anguish and joy Sudhir Thomas Vadaketh Editor in Chief Jom

compelling and often humorous essays *Prima Facie* explores a wide array of subjects human nature free will war evolution religion political correctness death and taxes Author Richard Thomas reflects on these subjects and his own life to determine why people act the way they do Thomas proposes three laws to explain human behavior Reciprocity This law states that everyone should have an equivalent exchange of goods for services rendered We all want fair treatment from our associates The Leg Up This law claims that a person will climb over someone else to improve his situation or enforce his supposed superior status LCD This law maintains that humans tend to drag each other down to the lowest common denominator LCD One person cannot be better than someone else Thomas argues that the various systems we have created to control our interactions with one another have turned the human race from once fearful huddling prey into predators who now stalk their own kind *Prima Facie* asks us to examine our own lives and beliefs requires us to recognize the negative impact our everyday behavior has on others and encourages us to take back responsibility for our destiny **Lyrical Iowa**, 2000

Tombs, Despoiled and Haunted Jay Fellows, 1991 Walter Pater poses to criticism the challenge of how to approach a writer who is neither entirely a novelist entirely a critic nor entirely a historian but each by turn This book demonstrates the unity of all Pater's roles through the crucial concept of linguistic consciousness This idea enables the author in a manner unique within contemporary criticism to combine phenomenological and post structural methodologies that is to say attention to details of language as registers of qualities of mind with a more recent linguistic and historical emphasis The result is an attempt to present a full autobiography of the linguistic consciousness of Walter Pater This requires that the author observe Pater from the inside that he trace even replicate the motions of Pater's consciousness the author shows how fragments of language specific images and phrases link up by means of figurative and rhetorical echoes into patterns that reveal a topographic rather than a narrative or conceptual structure as the under texture of Pater's writings
