Dynamics Of Language Contact English And Immigrant Languages Cambridge Approaches To Language Contact:

Dynamics of Language Contact Michael G. Clyne, 2003-03-20 The past decade has seen an unprecedented growth in the study of language contact associated partly with the linguistic effects of globalization and increased migration all over the world Written by a leading expert in the field this much needed account brings together disparate findings to examine the dynamics of contact between languages in an immigrant context Using data from a wide range of languages including German Dutch Hungarian Italian Spanish Croatian and Vietnamese Michael Clyne discusses the dynamics of their contact with English Clyne analyzes how and why these languages change in an immigration country like Australia and asks why some languages survive longer than others The book contains useful comparisons between immigrant vintages generations and between bilinguals and trilinguals An outstanding contribution to the study of language contact this book will be welcomed by students and researchers in linguistics bilingualism the sociology of language and education

Language Contact and Contact Languages Peter Siemund, Noemi Kintana, 2008 This new volume on language contact and contact languages presents cutting edge research by distinguished scholars in the field as well as by highly talented newcomers It has two principal aims to analyze language contact from different perspectives notably those of language typology diachronic linguistics language acquisition and translation studies and to describe explain and elaborate on universal constraints on language contact The individual chapters offer systematic comparisons of a wealth of contact situations and the book as a whole makes a valuable contribution to deepening our understanding of contact induced language change With its broad approach this work will be welcomed by scholars of many different persuasions

Responses to Language Endangerment Elena Mihas, Bernard Perley, Gabriel Rei-Doval, Kathleen Wheatley, 2013-11-15 This volume further complicates and advances the contemporary perspective on language endangerment by examining the outcomes of the most commonly cited responses to language endangerment i e language documentation language revitalization and training The present collection takes stock of many complex and pressing issues such as the assessment of the degree of language endangerment the contribution of linguistic scholarship to language revitalization programs the creation of successful language reclamation programs the emergence of languages that arise as a result of revitalization efforts after interrupted transmission the ethics of fieldwork and the training of field linguists and language educators The volume s case studies provide detailed personal accounts of fieldworkers and language activists who are grappling with issues of language documentation and revitalization in the concrete physical and socio cultural settings of native speaker communities in different regions of the world

The Oxford Guide to Australian Languages Claire Bowern, 2023 This book is a wide ranging reference work covering the more than 550 Indigenous languages of Australia The chapters in the book explore typology and classification linguistic structures sociolinguistics and language variation and language in the community The final part offers sketches of a selection of languages sub groups and families

Language, 2007 *Cahiers Linguistiques D'Ottawa*, 2005 Current Research in

Bilingualism and Bilingual Education Piotr Romanowski, Małgorzata Jędynak, 2018-07-24 This book covers research topics in bilingual education language policies language contact identity of bilingual speakers early bilingualism heritage languages and more and provides an overview of current theory research and practice in the field of bilingualism Each chapter is written by a specialist in the field Part I focuses on the numerous and heterogeneous relations between languages as well as the implications arising from bilingual speech processing In Part II a series of contextualized studies on bilingual classrooms are presented with diverse research designs applied in different educational settings being a key feature of these studies Part III bridges theory and practice by offering an insight into mono and multilingual school settings showcasing examples of educational institutions where bilingualism successfully soared and depicts the needs related to language education

Anthropological Linguistics ,2004 Teaching and Learning Third Languages Francesca D'Angelo, 2023-03-21 This book contributes to emerging research on third language acquisition TLA and pinpoints the main factors characterising TLA as a different process and area of study from second language acquisition Moving beyond the dichotomous conception of monolingualism and bilingualism it proposes a holistic and interdisciplinary approach to studying acquisition of a third or additional language It presents readers with a practical guide to understanding how these languages are processed learned and taught and addresses the cognitive linguistic and affective factors which make multilingual learning and teaching a complex and unique phenomenon It also emphasises the important role of teachers as knowledge generators Through various examples of multilingual education practices it highlights how fundamental teachers are as bridges between education and research on multilingualism This book will appeal to postgraduate students teacher trainers and researchers in the fields of multilingual education and cognitive linguistics The Interplay of Variation and Change in Contact Settings Isabelle

Léglise, Claudine Chamoreau, 2013-03-12 This volume is at the cross roads between two research traditions dealing with language change contact linguistics and language variation and change It starts out from the notion that linguistic variation is still a little researched area in most contact induced language change studies Intending to fill this gap it offers a rich panorama of case studies and approaches dealing with linguistic variation in contact settings It concentrates both on monolingual data tracing variation and contact beneath surface homogeneity and on bilingual data such as code switching and other forms of variation to trace their underlying regularities It investigates the relationship between variation and change in language contact settings The book will be relevant for students and researchers in contact linguistics sociolinguistics language variation and change sociology of language descriptive linguistics and linguistic typology

Family Language Policy in the Polish Diaspora Piotr Romanowski, 2021-04-06 This book explores language practices beliefs and management across a group of Polish immigrant families in Australia drawing on these case studies as a lens through which to unpack dynamics of Family Language Policy FLP and their implications for future research on FLP The volume begins by outlining the historical context of Polish immigration in Australia charting two key waves of Polish

migration in the 20th century and the subsequent unfolding of issues around language and culture maintenance in these families This discussion paves the way for exploring key themes of language socialization language ideologies and heritage language maintenance and the affordances of FLP research in elucidating these dynamics at work in the lived experiences of a group of Polish immigrant families in Melbourne The book highlights the importance of a triangulated approach integrating qualitative and quantitative methods in offering nuanced insights into parental approaches and children s experiences of a bilingual upbringing and the wider impact of FLP on transnational families Opening up avenues for future research on Family Language Policy and a better understanding of the language practices of specific communities in a globalised world this book will be of interest to scholars in multilingualism sociolinguistics and applied linguistics Meeting Handbook Linguistic Society of America,2004
