

All One Emerson

Rachel Sandford

All One Emerson:

Emerson's Metaphysics Joseph Urbas, 2016-10-12 This book gives the first complete fully historicized account of Emerson's metaphysics of cause and effect and its foundational position in his philosophy as a whole Urbas tells the story of the making of a metaphysician and in so doing breaks with the postmodern anti metaphysical readings that have dominated Emerson scholarship since his philosophical rehabilitation began in late 1970s This is an intellectual biography of Emerson the metaphysician but also a chapter in the cultural life story of a concept synonymous in the Transcendentalist period with life itself the story of the principle at the origin of all being and change Emerson's Metaphysics proposes an account of Emerson's metaphysical thought as it unfolds in his writings as it informs his philosophy as a whole and as it reflects the intellectual and religious culture in which he lived and moved and had his being This book will be of interest to philosophers literary scholars and students of English philosophy and intellectual and religious history who are interested in Emerson and the American Transcendentalist movement

America's England Christopher Hanlon, 2013-03-04 The wealth of transatlantic scholarship to emerge in recent years has greatly enriched our understanding of the mutual far reaching cultural exchange between Great Britain and the United States Yet scholars often lose sight of this relationship in the years immediately leading up to the outbreak of the Civil War Drawing on a capacious array of travel narratives novels poems political scuffles and more Christopher Hanlon's innovative study examines the patterns of affiliation through which U S culture encoded the turmoil of antebellum America in terms of imagined connections with England Through engagement with contemporaneous renditions of English race history landscape aesthetics telecommunications and economic discourse America's England reveals how northern and southern partisans re imagined the terms behind their antagonisms forming a transatlantic surround for the otherwise cisatlantic political struggles that would dissolve the Union in 1861 Among other ramifications the re conceptualization of sectional issues in transatlantic terms undermined the notion that white citizens of the United States formed a unified biological or cultural community effectively polarizing the imagined ethnic and cultural bases of the American polity But beyond that a continued reference to English historical cultural and political formations allowed figures such as Ralph Waldo Emerson Frederick Douglass Henry Timrod Lydia Maria Child Nathaniel Hawthorne Charles Sumner and others to situate an era of developing national acrimony along longer historical and transnational curves forming accounts of national crisis that situated questions of a domestic political bearing at oceanic removes from northern and southern combatants Demonstrating that English genealogies geographies and economics shaped the sectional crisis for antebellum Americans on both sides of the Mason Dixon America's England locates the key crisis points of the period in a broader transatlantic constellation that provided distinctive circumstances for literary production

Emerson's Transatlantic Romanticism D. Greenham, 2015-12-04 This book provides an original account of Emerson's creative debts to the British and European Romantics including Coleridge and Carlyle firmly locating them in his New England context

Moreover this book analyses and explains the way that his thought shapes his unique prose style in which idea and word become united in an epistemology of form **All's Love Yet All's Law** James Logan Gordon,1914 **Emerson's Life in Science** Laura Dassow Walls,2003 In addition he became a hero to a post Darwinian generation of Victorian Dissenters exemplifying the strong connection between transcendentalism and later nineteenth century science **Transformative Language Arts in Action** Ruth Farmer,Caryn Mirriam-Goldberg,2014-11-26 Transformative Language Arts an emerging field and profession calls on us to use writing storytelling theater music expressive and other arts for social change personal growth and culture shift In this landmark anthology Transformative Language Artists share their stories scholarship and practices for a more just and peaceful world from a Hmong storyteller and spoken word artist weaving traditions with contemporary immigrant challenges in Philadelphia to a playwright raising awareness of AIDS HIV prevention Read the stories consider the questions raised and find inspiration and tools in using words as a vehicle for transformation through essays on the challenge of dominant stories public housing women writing for their lives histories and communities at the margins singing as political action the convergence of theology and poetics women s self leadership embodied writing and healing the self others and nature through TLA The anthology also includes snapshots short features on transformative language artists who make their livings and lives working with people of all ages and backgrounds to speak their truths and change their communities Biology, with Preludes on Current Events Joseph Cook,1878 **The Life and Letters of John Fiske** John Spencer Clark,1917 John Fiske was not a voluminous correspondent hence we have not many self revealing letters to intimate friends and kindred thinkers regarding his wrestling with some of the great themes which from time to time engaged his mind The absence of these desirable data is however greatly minimized by the possession of his deeply interesting personal letters to his wife and his mother and of his diaries in which the innermost feelings of his nature are disclosed These taken in connection with his published writings enable us to make out quite a full record of his subjective activities which when considered in relation to the seething thought of the time as a stimulating objective environment yield copious material for a Life of Fiske in both its unity and its variety In the correspondence between Fiske and Spencer and in the letters of Fiske describing Spencer we get pleasanter impressions of Spencer s personality than from any other source To the end Fiske was thoroughly loyal to Spencer while immensely broadening his philosophy at the same time it must be admitted that Spencer withheld the public acknowledgment of indebtedness to Fiske which he so freely admitted privately The Nation ,1884 *Normal Instructor and Teachers World* ,1910 Scientific American ,1874 Christian Register and Boston Observer ,1903 Reports of Cases Argued and Determined in the Supreme Court of the State of Vermont Vermont. Supreme Court,1882 **Emerson's Reading** Clifford Haehl Osborne,1935 **The Epworth Era** ,1923 **The Federal Reporter** ,1925 *Harper's New Monthly Magazine* ,1887 **The Railroad Telegrapher** ,1910 **Massachusetts Digest Supplement 1879-94** Charles Nathan Harris,1895 The Saturday Evening Post ,1911
