Advertising Concept And Copy:

Advertising George Felton, 2006 A time tested text George Felton Advertising Concept and Copy Second Edition is an innovative approach to advertising creativity It covers the entire conceptual process from developing smart strategy to executing it with strong ads from what to say to how to say it Part 1 Strategies operates on the premise that the idea beneath an ad surface determines its success This first section shows how to research products understand consumer behavior analyze audiences and navigate marketplace realities then how to write creative briefs that focus this strategic analysis into specific advertising objectives Part 2 Executions explains how to put strategies into play It discusses the tools at a copywriter's command from the elements of print advertising headlines visuals body copy to the wide variety of media and advertising genres available to advertisers But creating great executions is never easy So Part 3 the Toolbox gives advice about how to think creatively then presents an array of problem solving tools a series of techniques that advertisers have used repeatedly to produce exceptional work In brief this book shows how to find strong selling ideas then how to express them in fresh memorable persuasive ways Over 200 ads many in color demonstrate the strong thinking and writing that underlie the best advertising This Second Edition features new sections on guerrilla advertising interactive media international and multicultural advertising and postmodern advertising as well as more material on the art of headlines theme lines slogans and naming Advertising Concept and Copy is the most comprehensive text in its field combining substantial discussion of both strategy and technique with an emphasis on the craft of writing not found elsewhere It is truly a writer's copywriting text

Advertising George Felton, 2006 How to find the ideas that make for great ads and deliver them in fresh memorable persuasive ways Ideas are what make advertising great but they're elusive which is why great ads are so rare Advertising Concept and Copy covers the conceptual process from developing smart strategy to executing it with strong distinctive copy Over two hundred ads many in color demonstrate the strong thinking and writing that underlie the best advertising Product description Advertising George Felton, 1994 Advertising Concepts and Strategies Christopher C. Gilson, Harold W. Berkman, 1980 Creative Advertising Concept and Copy Georgia-Zozeta Miliopoulou, 2024-04-08 Considering perspectives

on creative advertising through a unique media and communications lens this book encompasses both the theory and practical tools needed to approach and understand creativity in advertising with an original eye Drawing from diverse subject areas including Social Anthropology Narrative Theory Consumer Psychology Semiotics and Cultural Studies Creative Advertising Concept and Copy provides a solid grounding in advertising education away from the traditional business and marketing literature Notwithstanding the need for independent inspiration and originality the author guides readers through the entire process of campaign planning moving from strategy to creative idea to finished piece whilst employing concepts and principles relevant to design thinking Taking into account ethics and regulations the use of text and images and storytelling across radio TV and video platforms readers will come to a holistic understanding of what advertising can and

cannot do and how to achieve the best results Written for students involved in creative advertising as an area of academic research and professional practice this book will also be of interest to early career advertising professionals seeking a fresh perspective on their work Advertising Concept Book 3E Pete Barry,2016-08-10 The classic guide to creative ideas strategies and campaigns in advertising now in a revised and updated third edition In creative advertising no amount of glossy presentation will improve a bad idea That s why this book is dedicated to the first and most important lesson concept Structured to provide both a complete course on advertising and a quick reference on specific industry topics it covers every aspect of the business from how to write copy and learn the creative process to how agencies work and the different strategies used for all types of media This edition has been updated to include expanded chapters on interactive advertising and integrative advertising a new chapter on branded social media and fifty specially drawn new roughs of key campaigns Pete Barry outlines simple but fundamental rules about how to push an ad to turn it into something exceptional while exercises throughout help readers assess their own work and that of others Fifty years worth of international award winning ad campaigns in the form of over 450 roughs specially produced by the author fifty of which are new to this edition also reinforce the book s core lesson that a great idea will last forever **Advertising Creative** Tom Altstiel,Jean Grow,Marcel Jennings,2018-12-15 Advertising Creative Fifth Edition continues to weave discussions about digital messaging through every chapter Yet the underlying theme is still about one thing that never changes the need for fresh concepts and big ideas in pursuit of the One Thing This edition introduces a new co author Marcel Jennings who brings a fresh perspective from his background as a copywriter and creative director as well as teaching at Virginia Commonwealth University As always the authors draw upon their experiences as working advertising professionals and teachers to get right to the point stressing key principles and practical information that students and working professionals can use to communicate more effectively to build memorable brands They also address some of the key issues impacting our industry today such as gender equality diversity in the workplace and business ethics The Advertising Concept Book Pete Barry,2016-08 In creative advertising no amount of glossy presentation will improve a bad idea That s why this book is dedicated to the first and most important lesson concept Structured to provide both a complete course on advertising and a quick reference on particular topics it covers every aspect of the business from how to write copy and learn the creative process to how agencies work and the different strategies used for all types of media This edition features substantially revised and expanded chapters on both interactive and integrated advertising plus an entirely new chapter on branded social media Pete Barry outlines simple but fundamental rules about how to push an ad to turn it into something exceptional while exercises throughout will help readers assess their own work and that of others Fifty years worth of international award winning ad campaigns in the form of over 500 roughs specially produced by the author many of which are new to this edition also reinforces the book s core lesson that a great idea will last forever **The Advertising Concept Book** Pete Barry,2012 Now thoroughly revised and updated this
