always it is the version told by the victors that lives on The voice of the vanquished remains lost in silence But what if Ravana and his people had a different story to tell The story of the Ravanayana had never been told Asura is the epic tale of the vanquished Asura people a story that has been cherished by the oppressed outcastes of India for 3000 years Until now no Asura has dared to tell the tale But perhaps the time has come for the dead and the defeated to speak For thousands of years I have been vilified and my death is celebrated year after year in every corner of India Why Was it because I challenged the Gods for the sake of my daughter Was it because I freed a race from the yoke of caste based Deva rule You have heard the victor s tale the Ramayana Now hear the Ravanayana for I am Ravana the Asura and my story is the tale of the vanquished I am a non entity invisible powerless and negligible No epics will ever be written about me I have suffered both Ravana and Rama the hero and the villain or the villain and the hero When the stories of great men are told my voice maybe too feeble to be heard Yet spare me a moment and hear my story for I am Bhadra the Asura and my life is the tale of the loser The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas In desperation the Asuras look up to a young saviour Ravana Believing that a better world awaits them under Ravana common men like Bhadra decide to follow the young leader With a will of iron and a fiery ambition to succeed Ravana leads his people from victory to victory and carves out a vast empire from the Devas But even when Ravana succeeds spectacularly the poor Asuras find that nothing much has changed for them It is when that Ravana by one action changes the history of the world *Shatru Kronikles Book-1* Sai Vadhan,22-12-14 Shatru was half Asura That was not the reason why he was the best Hunter for the most powerful peace keeping force in all fourteen worlds If he did not do their bidding they would kill the one person he loved That was just the way it was The Devas and Asuras the most powerful of the Primordial Tribes shadow controlled the financial political and cultural lives of all of humanity just for one reason domination over each other through control of terrestrials When the brittle line between adversity and aggression was broken they were set on a collision course Shatru was the only one standing between them To stop the Primordials from destroying each other Shatru had to go after an ancient sentinel of Chaos ready to do what it takes just to destroy Vengeance was rising Shatru was in the way It was not only his loved ones in danger if he could not stop Armageddon
