benefits it offers Enhance your productivity optimize your learning and unlock a world of possibilities with this empowering guide to speed reading Start your journey today and witness the remarkable transformation in your reading skills and overall productivity Remember the power of knowledge lies within the pages of books and with the ability to read quickly and efficiently you hold the key to unlocking this treasure trove of information Embark on this 10 day adventure and transform your reading experience forever If you like this book write a review *The Complete Idiot's Guide to Speed Reading* Abby Marks Beale,Pam Mullan,2008-06-03 On your marks get set read Most adults today are working with antiquated skills and ingrained beliefs about their reading abilities or lack thereof But with the tips and examples offered in *The Complete Idiot's Guide to Speed Reading* getting through a load of must do reading doesn't have to be an arduous or overwhelming chore The strategies are surprisingly simple once revealed With practice readers will not only speed through and understand books articles and professional journals but will also build their personal reading confidence and competence Written by a reading specialist Useful for students business people lawyers doctors Includes how to strategies as well as practice timed readings Tips for reading on paper and onscreen Show More Show Less *The Personal MBA 10th Anniversary Edition* Josh Kaufman,2020-09-01 The 10th anniversary edition of the bestselling foundational business training manual for ambitious readers featuring new concepts and mental models updated expanded and revised Many people assume they need to attend business school to learn how to build a successful business or advance in their career That's not true The vast majority of modern business practice requires little more than common sense simple arithmetic and knowledge of a few very important ideas and principles *The Personal MBA 10th Anniversary Edition* provides a clear overview of the essentials of every major business topic entrepreneurship product development marketing sales negotiation accounting finance productivity communication psychology leadership systems design analysis and operations management all in one comprehensive volume Inside you'll learn concepts such as The 5 Parts of Every Business You can understand and improve any business large or small by focusing on five fundamental topics The 12 Forms of Value Products and services are only two of the twelve ways you can create value for your customers 4 Methods to Increase Revenue There are only four ways for a business to bring in more money Do you know what they are Business degrees are often a poor investment but business skills are always useful no matter how you acquire them *The Personal MBA* will help you do great work make good decisions and take full advantage of your skills abilities and available opportunities no matter what you do or would like to do for a living **Dr. Lord's Supersonic Speed Reading and Writing Workbook** Udis Sanchez Manalansan-Lord,Udis Lord,2005-06-30 Classroom proven to improve reading and writing skills Written to triple reading and writing speed effective ways to take notes and pass tests including standardized tests such as ACT the Missouri Assessment Program MAP vocabulary punctuation capitalization sentence variety coherence unity spelling writing different types of paragraphs and essays Teaches motivation and character education **Small Steps To Big Reading** Hozefa A Bhinderwala,2017-01-06 This book intends to motivate non regular

readers to overcome previously held inhibitions about reading and not let past experiences keep them away from the gift of reading. There is a deliberate attempt at illustrating the book with plenty of illustrations to tempt word phobic readers. It helps simplify the reading process and urges the reader through simple techniques to approach reading in a manner that enhances comprehension. This entails giving up some deeply entrenched old habits that are counterproductive and equipping ourselves with better skills. To achieve this beyond just tips, the book also provides physical tools that help the reader overcome old habits like regression, lack of preview, subvocalizing, slow reading, and self-doubt. It also helps the reader to rise above the bare minimum reading limited to their subject and become flexible readers capable of changing gears when required. The benefits of being well read and being able to fight guilt are also highlighted with the intention that having completed this book urges the non-regular reader to continue in their quest of more fulfilling reading. This book intends to help people acquire an altered approach to reading so that parents and significant caretakers in the lives of young learners do not inadvertently demotivate budding readers. An investment of 100 minutes of your time could make a positive change in how you read and what you do hereafter.

Learn To Speed Read Kris Madden, 2009-11-04. Kris Madden is the guy we all wish we met the first day of school. The key to speed reading is how you process the words on a page. Most of us read like we did when we were a child. Kris trains us in how to consolidate this process. Perfect your technique and you can reach speeds of up to 600 words per minute. That means you can read a book in hours NOT days or weeks. WonderHowTo.com
