Borderless Fashion Practice Vanessa Gerrie, 2023-06-16 Twenty first century fashion practice has become increasingly borderless and diverse in the digital era calling into question the very boundaries that define fashion in the Western cultural context Borderless Fashion Practice Contemporary Fashion in the Metamodern Age principally engages the work of four fashion designers Virgil Abloh Aitor Throup Iris Van Herpen and Eckhaus Latta whose work intersects with other creative disciplines such as art technology science architecture and graphic design They do their work in what Vanessa Gerrie calls the metamodern age the time and place where the polarization between the modern and the postmodern collapses Used as a framework to understand the current Western cultural zeitgeist Gerrie's exploration of the work of contemporary practitioners and theorists finds blurred borders and seeks to blur them further to the point of erasure

Clothing and Fashion José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four volume encyclopedia examines the historical significance of fashion trends revealing the social and cultural connections of clothing from the precolonial times to the present day This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels Through four detailed volumes this work delves into what people wore in various periods in our country's past and why from hand crafted family garments in the 1600s to the rough clothing of slaves to the sophisticated textile designs of the 21st century More than 100 fashion experts and clothing historians pay tribute to the most notable garments accessories and people comprising design and fashion The four volumes contain more than 800 alphabetical entries with each volume representing a different era Content includes fascinating information such as that beginning in 1619 through 1654 every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England what is known about the clothing of enslaved African Americans and that there were regulations placed on clothing design during World War II The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras

Fashioned in the North Anna Dahlgren, 2020-07-15 This edited volume showcases new examples previously untold stories of images photographers publications and institutions partly unknown outside the Nordic countries The authors examine the reasons for and implications of this underexposure taking on a photographic metaphor While simultaneously challenging previously taken for granted ideas of the center and periphery in this field the book also widens the study of fashion photography Notably the hybridity of approaches may enrich future studies of fashion photography In Fashioned in the North fashion photography is viewed as a transnational phenomenon and a material object as well as a medium that is part of a media system and a result of archival systems and history writings Furthermore the book displays how studies of fashion photography can be so much more than stories of a few names and iconic images or studies of individual and periodic style Indeed the study of fashion photography may be a prism through

which we can uncover cultural social economic and ideological aspects of society at present and in the past **Picturing the Woman-Child** Morna Laing, 2021-01-28 The childlike character of ideal femininity has long been critiqued by feminists from Mary Wollstonecraft to Simone de Beauvoir Yet women continue to be represented as childlike in the western fashion media despite the historical connotations of inferiority This book questions why such images still hold appeal to contemporary women after three or even four waves of feminism Focusing on the period of 1990 2015 *Picturing the Woman Child* traces the evolution of childlike femininity in British fashion magazines including *Vogue* *i D* and *Lula* *Girl of my Dreams* These images draw upon a network of references from *Kinderwhore* and *Lolita* to *Alice in Wonderland* and the *femme enfant* of Surrealism Alongside analysis of fashion photography the book presents the findings of original research into audience reception Inviting contemporary women to comment on images of the woman child provides an insight into the meaning of this figure as well as an evaluation of theory on the female gaze Both scholarly and accessible the book paves the way for future studies on how readers make sense of fashion imagery
