100 Tricks Appear Smart Meetings:

100 Tricks to Appear Smart in Meetings Sarah Cooper, 2016-10-04 You know those subtle tricks your coworkers are all guilty of The constant nodding pretend concentration useless rhetorical questions These tricks make them seem like they know what they're doing when in fact they have no clue This behavior is so ingrained so subtle and so often mistaken for true intelligence that identifying it calling it out or compiling it into an exhaustive digest has never been attempted Until now Complete with illustrated tips examples and scenarios 100 Tricks gives you actionable ways to use words like actionable in order to sound smart It includes a strategy for every type of meeting From general meetings where you stopped paying attention almost immediately to one on ones you zoned out on to impromptu meetings you were painfully subjected to at the last minute it's all here Open this book to any page and find an easy to digest trick with an even easier to digest illustration guiding you on how to nail the big meeting by pacing and nodding most effective ways to listen to your coworkers while still completely ignoring them the key to making your presentations interactive If you hadn't noticed these behaviors before you will see them now from your colleagues your managers and soon yourself Each trick is a mirror to the reality of what happens in meetings told in the form of hilariously bad advice advice that you might just want to take But probably not But maybe

Foolish Sarah Cooper, 2023-10-03 In this hilariously revealing debut memoir comedian Sarah Cooper charts her rise from lip synching in church to lip synching the president and all the dad issues she collected along the way As the youngest of four in a tight knit Jamaican family Cooper cut her teeth in the mean cornfields of suburban Maryland Soon she became a charmingly neurotic woman trying to break her worst patterns and reclaim her linen closet From an early obsession with hair bands to her struggle to escape the immigrant to basic bitch pipeline to her use of the Internet as a marriage counselor after being fired by two real ones and the curse of her TED Talk vibe Cooper invites us to share in her triumphs and humiliations as she tries and fails to balance her own dreams with the American dream With determination and wit Cooper mines a lifetime of oppressive perfectionism for your laughter and enjoyment as she moves from tech to comedy marriage to divorce smart to foolish while proving once and for all that being foolish is actually the smartest thing you can do

Women Comedians in the Digital Age Alex Symons, 2022-12-30 This book offers a thorough examination of digital work by women comedians in the US exploring their use of digital media to perform jokes engage with fans remake their reputations and become political activists This book argues that despite its many adverse effects digital work is changing comedy empowering women to create new comic forms and negotiate the contentious political climate incited by former President Donald J Trump Chapters are focused on video podcasting TikTok Twitter Instagram YouTube and the streaming platform Netflix each containing informative case studies on significant women comedians who use them including Sarah Silverman Amy Schumer Leslie Jones Mindy Kaling Colleen Ballinger Lilly Singh Ms Pat Whitney Cummings Issa Rae and others To understand their strategies this book examines the popularity of their digital content their career outcomes in television and
