101 Weapons of Spiritual Warfare Dr. D. K. Olukoya, 2013-12-10 101 Weapons of Spiritual Warfare Never in the history of the world has there been an era of war both physical and spiritual like this era This is a tougher era of warfare More people are under bondage now more than in any other period of human history There are cases of deep bondage uncommon attacks against the family and horrendous occurrences in the lives of individuals The devil has wreaked a lot of havoc upon humanity The bible has described in vivid terms that God is aware of the high state of demonic hostilities Hence the Holy Spirit has released the prophetic revelations in this book in order to place us in good stead for a unique role in this end times This manual is the first of its kind This is the apex of deliverance We are the threshold of a revival of spiritual warfare The sweeping and the far reaching effect shall be best described as awesome Powerful Devices Abimbola Adunni Adelakun, 2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism Combining religious studies with ethnography Powerful Devices explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare By closely studying spiritual warfare prayers as a device Powerful Devices shows how the rituals of prayer enable an apprehension of time paradigms of self enhancement and the subversion of politics and authority A critical intervention Powerful Devices explores charismatic Christianity's relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology *Prayer and Politics* Peter van der Veer, 2018-10-11 Prayer is an important religious practice that is rarely studied from the perspective of politics and yet it should be Though some forms of Protestantism teach that prayer should be individual and private this is an exception rather than a rule In many other religions and cultures the regulation of collective and public prayer cannot be separated from the complex world of politics Where is prayer allowed and where not Who can participate and who can't How should you pray and how shouldn't you Prayer is subject to a host of both written and unwritten political rules From the Pentecostal religious battle where prayer is both sword and shield against the Satanic Other to the relations between Islam and Christianity prayer as spiritual warfare can be found cross culturally and across the world This book brings together case studies of the political salience of prayer in Nigeria France India Russia and the United States It deals with Christian Muslim and Hindu practices In a world where religious tensions are ever present it reminds us of the intensely political nature of prayer This book was originally published as a special issue of the Journal of Religious and Political Practice **Political Pentecostalism** Leandro L. B. Fontana, Markus Lubert, 2021-08-13 The last decade has witnessed fundamental shifts in the relationship between religion and politics In this light religious symbols motifs justifications and practices are increasingly noticeable in political discourses as

well as agendas particularly in the Global South with Pentecostal Christians standing out as salient actors Performative practices enacted in political contexts such as the anointing of state authorities prophecies warfare prayers etc have drawn the attention of numerous scholars worldwide The four surveys contained in this volume account for these developments in Africa Asia and Latin America and synoptically engage with the following question Can any meaningful nexus connecting multiple and apparently isolated nodes of Pentecostal engagement in the political sphere around the globe be identified In addition they do the groundwork for drawing parallels on a global level on the basis of which new light can be shed on fundamental changes in Pentecostal actorhood and self understanding Thus local developments and ethnographic studies are for the first time reflected upon from a global perspective

Your Ministry and Your Ancestry Dr. D. K. Olukoya, 2015-11-23 YOUR MINISTRY AND YOUR ANCESTRY The battles of life are common to all and sundry therefore the fact that you are a minister does not erase your ancestral roots To this end many pastors ministers and church leaders are ignorant of the impact ancestral factors have on the lives of men and women of God A lot of ministers who have failed in the ministry could

not really understand the reasons behind their failures. Some are even blinded to the fact that they have battles to fight. These battles are deeply entrenched in the foundations of many ministers of the gospel and if something is not done urgently many more will die miserably without fulfilling their destinies. While the battles and challenges faced by those who are not ministers are ordinary, the battles faced by ministers are complicated and advanced in nature. This book exposes you to those battles, how to tackle them, and it explains what you need to do to deal with them and be permanently free from them. Be blessed on this journey of discovery and recovery. **Strategic Weapons of our Warfare**, **Mountain Top Life Daily Devotional 2021: Volume 6** Dr. D. K. Olukoya, 2021-01-01. Armed with love, prayer, and God's transformative power, become a warrior parent who never stops fighting for your child. **Saved, Delivered, and Healed** Tony Richie, 2022-08-30. Should a Christian doctrine of salvation be concerned with this life or the life to come? With forgiveness of sins or deliverance of sinners? With the saving of the soul or the healing of the body? Should it focus on the person and work of Jesus Christ or on the presence and power of Holy Spirit? To all these questions and more, Tony Richie's *Saved, Delivered, and Healed: Introducing a Pentecostal Doctrine of Salvation* answers. Yes. Then it proceeds to present from the Scriptures, from Pentecostal theology and spirituality, and from decades of pastoral and personal experiences and academic insights, an energetic and holistic view of salvation grounded in the wisdom, goodness, and power of God. Its constant focus is God's ultimate redemptive purpose in Jesus Christ by the power of the Holy Spirit for the lives of real human beings living in the real world. If you have ever wondered what Christian salvation actually means and how it actually works, then this book is for you. **40 Rules for Effective Deliverance** Dr. D. K. Olukoya, 2019-01-27. Three categories of people miss out greatly on the immense benefits of the deliverance ministry: those who are ignorant of the deliverance ministry and its purposes; those who do not believe in deliverance; and those who do not know how to obtain genuine and complete deliverance. This book is written for all three categories so they can find help and be free. It unravels the mysteries surrounding deliverance, makes it clearer and easier to understand. Practical, instructive, and life-changing. Forty

Dumbrell,2001-10-29 The Bible s eschatological framework is spread across the table for all to see in *The Search for Order* showing the unfolding of God s total plan for history not just the last days In a world disordered by sin Scripture describes God s goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to *The End of the Beginning and Covenant and Creation* In the resulting thematic survey students are allowed to draw their own conclusions about the Bible s overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today *Major Spiritual Warfare and Deliverance Ministry Principles* Eric Gondwe,2006-11-11 255 pages Please note This is the Second Edition of the book Third Editions are now available in two separate books one on *Spiritual Warfare Principles* and another on *Christian Deliverance Principles* Third editions are extensively revised and updated versions due to
