Osborne, 2007 Renowned Franciscan theologian Kenan B Osborne brings all three of the holy orders of the church the diaconate the presbyterate and the episcopate into focus through the lens of post Vatican II sacramental and systematic theology Osborne posits that one cannot study the renewed permanent diaconate in the Roman Catholic Church without understanding the renewal of the order of priests and bishops as well This is a guide to grasping the essence of Vatican II as well as the basis for the restoration of the diaconate in the Latin Church BOOK JACKET *Research in the Social Scientific Study of Religion, Volume 26* ,2015-08-25 This volume includes a wide range of papers that explore individual and institutional aspects of religion from a social science perspective The special section has articles from research groups in Europe the USA and Australia on clergy work related psychological health stress burnout and coping strategies The general papers include studies on coping strategies among Buddhists gender differences in response to church decline teenage participation in religion social capital among Friends of Cathedrals psychological profiles of clergy education effects on Roman Catholic deacons and an analysis of prayer requests Together these papers form a valuable collection indicating the depth and vibrancy of research in these fields Contributors are Tania Ap Sion Rachel Blouin Christine Brewster the late Deborah Bruce Cheng Clara Michelle Giuseppe Crea Benjamin Doolittle Joseph Ferrari Leslie J Francis Philip Hughes Patrick Laycock Steve McMullin Judith Muskett Gemma Penny Russell Phillips Rae Jean Proeschold Bell Kelvin Randall Mandy Robbins Jenny Rolph Paul Rolph Greg Smith Sam Sterland Andrew Village Kay William Cynthia Woolever and Keith Wulff **The Emerging Diaconate** William T. Theology of the Diaconate Owen F. Cummings, William T. Ditewig, Richard R. Gaillardetz, 2005 In these three essays which were presented as keynote lectures at the 2004 conference of the National Association of Diaconate Directors Professors Cummings Ditewig and Gaillardetz construct theologies of the diaconate in conversation with one another and the church The result is essential reading for deacons aspirants to the diaconate deacon directors as well as the other orders of the clergy and the laity Book jacket **Preach What You Believe** Michael Bulson, 2005 A collection of homilies by a deacon for deacons and anyone else who preaches These homilies which reflect the author's firm commitment to social justice are followed by discussion questions Understanding the Diaconate W. Shawn McKnight, 2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the

human element Understanding the Diaconate adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass

Priest of the Church or Priest of a Church? Noel Cox, 2021-03-25 The development of new forms of ministry lay and ordained has included worker priests now found in the Anglican Communion in a related form variously called Self Supporting Ministry SSM or Non Stipendiary Ministry NSM This book focuses on one of the most recent developments the creation of Ordained Local Ministry After chapters that consider preliminary questions of the nature of ministry such as authority in the church and Holy Orders Noel Cox argues that the crucial distinction between these and other forms of ministry is that the Ordained Local Minister OLM is overtly ordained specifically for a given locality variously defined they are a deacon or priest for a specific church parish benefice or deanery rather than of the universal church Their introduction inevitably raises difficult ecclesiological questions which Cox examines

The Diaconate in Ecumenical Perspective Frederick C. (Fritz) Bauerschmidt, Anne Keffer, Maylanne Maybee, George E. Newman, Alison Peden, Josephine (Phina) Borgeson, Rosalind Brown, Brian A. Butcher, David Clark, Susanne Watson Epting, Gloria Marie Jones, E. Louise

Williams, 2019-08-01 A discussion of the historical development of the order of deacons its theological basis in the Western and Eastern Churches and the relevance and significance of the diaconate for the Church in the twenty first century

Many Servants Ormonde Plater, 2004-01-25 In this newly updated and revised introduction to the permanent diaconate Plater includes a history of deacons in the early church a survey of deacons from the Reformation to the present stories of modern diaconal ministries including first hand accounts and a discussion of the formation training and deployment of deacons This book is a basic essential text for discernment committees and commissions on ministry and a comprehensive look at a vital ministry in the church today

The Church in the Making Richard R. Gaillardetz, 2006 Vatican II has become a place marker in the ecclesiastical and ideological geography of contemporary Catholicism Yet forty years later few who refer to the council and its teachings whether with approval or criticism demonstrate a solid grasp of those teachings Even fewer are aware of the important debates that have taken place in the past four decades regarding the council's authentic reception and implementation of its documents

Servant Leadership Models for Your Parish Dan R. Ebener, 2010

Servant Leadership Models for Your Parish explores the practice of servant leadership in a church context It presents seven behaviors practiced by leaders and members in high performing parishes and provides real life examples of these practices The unique contribution of this work to the national discussion about parish life and leadership is its description of servant

leadership and its explanation of how it works in a parish This work suggests that parish life can be viewed in light of business principles such as the organizational behaviors of leaders and members in a Christian parish and religious teaching particularly the message of Jesus who taught leaders to be servants and members to be disciples Intended for pastors and parish leaders pastoral associates and deacons parish staff and lay members of parishes who are interested in leadership it is sure to be indispensable reading for anyone who is interested in changing or improving the leadership the activities and the culture of their parish
