J.

Scott & Barrie Davenport, 2024-05-20 It's easy to fall in love. The challenging part is keeping that spark alive while you and your partner deal with the real world. Your relationship can often seem less urgent than the day-to-day emergencies that you deal with: your job, finances, children, and that to-do list full of chores. They all demand your immediate attention. What often gets lost in the shuffle is the love you share with your partner. If you want to build a deeper connection with your spouse or partner, then one solution is to build mindful relationship habits. In a mindful relationship, you are intentional about all your choices and interactions with your partner. You become more proactive in responding to each other's needs and less reactive to the challenges that often arise. You evolve to a higher level of interaction with one another. The Wall Street Journal bestselling authors S. J. Scott and Barrie Davenport show you how to have a better relationship by applying 25 specific practices. These habits will help you be more present with one another, communicate better, avoid divisive arguments, and understand how to respond to one another's needs in a more loving, empathic, and conscious way. **Лучше каждый день:**
