They are the pathfinders for the further study and research of the study Lack of these tools is a bane to the teachers and scholars There is no bibliography so far on English Language and Literature teaching in India The editors with their long experience at CIEFL undertook this arduous work to fill in the gap It is a happy thing that this reference tool is published on the occasion of the completion of 40 years of the establishment of the Central Institute of English and Foreign Languages Hyderabad and the Silver Jubilee of its deemed university status It is hoped that this bibliography will be of great help to teachers students and scholars in the field of ELLT
