Challenging Boardroom Homogeneity Aaron A. Dhir,2015-04-30 The lack of gender parity in the governance of business corporations has ignited a heated global debate leading policymakers to wrestle with difficult questions that lie at the intersection of market activity and social identity politics Drawing on semi structured interviews with corporate board directors in Norway and documentary content analysis of corporate securities filings in the United States Challenging Boardroom Homogeneity empirically investigates two distinct regulatory models designed to address diversity in the boardroom quotas and disclosure The author s study of the Norwegian quota model demonstrates the important role diversity can play in enhancing the quality of corporate governance while also revealing the challenges diversity mandates pose His analysis of the US regime shows how a disclosure model has led corporations to establish a vocabulary of diversity At the same time the analysis highlights the downsides of affording firms too much discretion in defining that concept This book deepens ongoing policy conversations and offers new insights into the role law can play in reshaping the gendered dynamics of corporate governance cultures *The Fire Line* Fernanda Santos,2024-09-04 The story of the Yarnell Hill wildfire of 2013 and the Arizona men who gave everything to fight it Meticulously researched and as dramatic as any thriller People Magazine Western Writers of America 2017 Spur Award Winner Best First Nonfiction Book Spur Award Finalist Best

Western Contemporary Nonfiction *The Fire Line* is the story of the Granite Mountain Hotshots an elite crew trained to combat wildfires in the wildlands of the American West crisscrossing the country wherever the fires take them A stirring portrait of a band of brothers at work at play and at home until a fire burning in their own backyards leads to a national tragedy With impeccable research that draws upon more than a hundred hours of interviews with the firefighters families colleagues and state and federal officials New York Times Phoenix Bureau Chief Fernanda Santos has written a riveting pulse pounding narrative of an unthinkable disaster a remarkable group of men and the raging wildfires that threaten our country s treasured wilderness A riveting pulse pounding account of an American tragedy and also as a meditation on manhood brotherhood and family love *The Fire Line* is a great and deeply moving book about courageous men and women Hector Tobar author of *Deep Down Dark The Untold Stories of 33 Men Buried in a Chilean Mine and the Miracle that Set Them Free* In this riveting and poignant narrative Fernanda Santos introduces the reader to a brave band of men most of them in their 20 s who battle destructive wildfires A gripping account of one of the nation s most deadly wildfires and an inspiring look at the men who put their lives on the line and the loved ones they left behind The Associated Press Santos makes a valuable contribution to the literature of disaster preparedness and management and given that wildfire is a growing problem in the ever more arid West that literature needs all the good work it can get Kirkus Reviews *150 Years of Eastern Oregon History* Joseph H. Labadie, 2017-01-25 This book is a real story about an ordinary family from Albion Iowa who in 1862 crossed the Oregon Trail and settled in the lower Powder River Valley in what today is Baker City Oregon Within two years family members were part of a thriving dry goods and mercantile business in the gold mining town of Mormon Basin selling rubber boots shovels and liquor to both American and Chinese miners By the late 1860s the easy gold had been panned and sluiced out so the miners moved on to chase bigger dreams in newer places So too did some of the family members they sold their business interests and with a saddlebag full of gold rode north to Umatilla County Oregon where in 1871 they started a ranch and cattle business Portions of James Shumway s Couse Creek Ranch near Milton Freewater are still owned by descendants it is an Oregon State Centennial Ranch This book uses old photographs letters documents business journals personal diaries and contemporary research to recount 150 years of Barton Shumway family history in eastern Oregon It is a story told through the lives of some of the real people who survived it **The Structure of American Industry** James W. Brock, 2015-07-28 The major American industries agriculture petroleum electricity banking telecommunications movies college sports airlines health care and the beer cigarette and automotive industries intersect our lives every day Studying these industries raises a number of economic questions How are the individual industries organized and structured What is their history What are the dominant organizations in each field and what share of their market do they represent What is the nature of competition in these fields and how effectively does it govern economic decision making The nature of these industries also raises a host of public policy challenges What significant policy issues do they pose what options are available

for addressing them and what role can and should the government play Unlike other books that offer economic treatments focused on theoretical expositions and analyses the thirteenth edition addresses all these questions in a manner that treats each industry in a comprehensive holistic way Brock s approach focuses on everyday experience enhancing readers understanding through examples that emphasize incident and detail Each chapter written by an expert in the field has been updated or rewritten for this edition A new chapter on the movie industry has been added as well This outstanding overview of American industry offers the reader a live laboratory of clinical examination and comparative analysis
