Overhead Line

We have expanded our focused multi-skilled overhead line teams, designed to manage the next generation in OLE material supply solutions.

Our core supply (Overhead line materials) will support needs covering feeding, stringing & bracing, supports, mounting, hardware, foundations, components, insulation, tensioning & section insulators, overhead wires & cables, pulleys & components, legs and small part project support & maintenance, painting, welding, steel, logs & tools, testing and consumables.

Our multi-skilled OLE team provides a range of flexible solutions, general electrical power supply requirements, including a technical support team and a dedicated site team, and project assembly packages being used in three examples. In addition, we also provide more complete turnkey solutions which include all over stringing, delivery of materials and physical works around the three customer demands.

Now the power and the people have come on board.
