Hard-nosed Advice from a Cranky Law Professor Austen L. Parrish, Cristina C. Knolton, 2010 If students wish to
survive and excel in law school they must approach it correctly Students also need to understand what professors expect of
them or they will be left behind Hard Nosed Advice from a Cranky Professor explains some of the correct ways to approach
law school and provides insight into professor expectations This book is designed for new law students who would like to
improve their chances of doing well in law school Written from the perspective of a cranky cantankerous professor the book
side steps pleasantries to provide no nonsense sometimes hard nosed advice that is intended to instruct students on what
they must do to succeed While blunt the practical advice is provided in a light hearted humorous way The book's aim is to
give concise answers to questions that most students have when they begin law school The book's user friendly style is one of

its greatest assets In tight to the point chapters the book addresses those tasks that students commonly face in law school from reading and briefing cases to outlining to preparing and taking exams to being called on in class The book also provides advice on success outside the classroom including preparing for the bar exam In many ways through the professor s grumblings the book promotes professionalism and common sense At the back of the book are sample case briefs and exam answers Professor Lawrence the cranky cantankerous law professor who serves as this book s guide to law school and beyond offers the kind of blunt advice and criticism that law students often fear but alas rarely receive Whether you are new to law school or a law professor seeking the kinds of tips your students need to hear you will find much in this book that deserves careful attention all of it presented in a clear and entertaining fashion Its advice will help you avoid the pitfalls of law school and get the most out of your legal education and the beginning of your professional life as a lawyer Prof Paul Horwitz University of Alabama School of Law Hard Nosed Advice from a Cranky Law Professor delivers the type of practical helpful no nonsense guidance that law students navigating the first year would be hard pressed to find elsewhere This is serious advice provided in an utterly refreshing and truly funny way Prof Lillian Aponte Miranda Florida International University School of Law First year law students often have no solid information about what they ought to be doing to succeed instead they rely on popular culture hearsay and rumors from upper division students and their own undergraduate experiences none of which is very useful Parrish and Knolton s book provides that guidance bluntly but sympathetically and humorously Parrish and Knolton have done first year law students a great favor by explaining what law professors expect from them even though we usually never take the time to tell them Prof William D Araiza Brooklyn Law School Finally a book that gets to the point of law school grabs your attention and is entertaining at the same time Prof Elizabeth Trujillo Suffolk University Law School I m glad I never had a professor like Professor Lawrence while I was in law school and I really hope you never do either But law school would have been easier if I had read his advice before going The key to being successful in law school isn t complicated and is certainly not top secret If you follow what Professor Lawrence has to say you ll be well on your way Prof David S Cohen Drexel University Earle Mack School of Law Professors Parrish and Knolton have written a succinct guide to law school that students will find tremendously helpful and a lot of fun Dispensing wisdom with a clever sense of humor Hard Nosed Advice from a Cranky Law Professor entertains as it teaches and demystifies the law school experience This engaging book offers practical advice on topics ranging from briefing cases to preparing for the bar exam making it an important resource for students at all stages of their legal education The book s guidance on outlining exam taking and law review and clinical opportunities is especially valuable I will recommend Hard Nosed Advice from a Cranky Law Professor to my first year students and law schools should consider assigning it as part of their orientation programs Prof Christopher A Whytock University of Utah S J Quinney College of Law Professors Parrish and Knolton share their wisdom and experience explaining how law school works and what is expected of students There are profound insights in this

invaluable guide it belongs on the desk of every law school student Prof Kristen E Boon Seton Hall University School of Law When admitted students ask me how to prepare for law school I offer three suggestions First to learn micro economics because it is useful to understanding many first year courses Second to adopt a sustainable exercise routine because law school is not just a test of intellect it is an equally grueling test of stamina And third to watch Paper Chase because it exposes much of the good and bad of the law school experience But starting now I will offer students a fourth suggestion to read this book With this book Professors Parrish and Knolton have given students the key to unlock the secrets to law school success This book may well become for JD students what the Federalist Papers are for constitutional law scholars an indispensable roadmap to navigate labyrinthine terrain Prof Richard Albert Boston College Law School As Parrish and Knolton make clear there are no shortcuts to success in law school Hard work is required every step of the way But this book will help law students focus their efforts by working smart along with working hard The book's straightforward organization makes law school less overwhelming and more manageable I would recommend to every student beginning law school Prof Noah D Hall Wayne State University Law School Professors Parrish and Knolton have managed to convey crucial advice to entering law students in a fun and straightforward way Would be law students should listen carefully to what their cranky law professor has to say They are unlikely to get all of this advice so succinctly explained in one convenient source once they enter law school Prof Michael Waterstone Loyola Law School Los Angeles This is a great book not only for law students but for law professors seeking to re learn some lessons of delivering a legal education Most importantly it sensibly if crustily speaks to expectations in the law classroom an elusive baseline of behavior in an era of evolving classroom technologies tightening job markets and changing academic cultures Whether the student or the professor agrees with the blunt advice in this book this is as thought provoking as a fun book like this can be Prof Shi Ling Hsu University of British Columbia Faculty of Law This comprehensive yet concise manual is an indispensable resource for both prospective and current law students With its witty practical and no nonsense advice Professors Parrish and Knolton address everything that law students need to understand to excel in all aspects of the law school experience from the summer prior to law school to preparing for the bar exam Those who read this book will be spared the avoidable blunders that all students suffer throughout their legal education from ineffective study habits to misconceptions about the culture of law school and the legal profession How I wish that this book could have been available when I pursued my legal education Prof Randall S Abate Florida A M University College of Law This book provides current and future law students virtually everything they need to know to enjoy their law school experience and to succeed while doing so Short shrewd and witty the book is highly recommended for every law student Prof Dan Markel Florida State University College of Law Everything you always wanted to know about law school but were afraid to ask Professors Parrish and Knolton have demystified the law school experience and crystallized their insights into practical real world advice on how to navigate law school successfully It is a great resource for busy students and for the professors

who advise them Prof Jodi Short Georgetown University Law Center Parrish and Knolton have put together a highly useful and readable guide to tackling the academic social and political challenges of law school Their book delivers essential advice with a no nonsense and often humorous attitude and busy students will no doubt appreciate the handy checklist at the end of each chapter Prof Janine Y Kim Marquette University Law School Hard Nosed Advice from a Cranky Law Professor is the new must read for all prospective and current law students In a concise infinitely readable and surprisingly entertaining way this book gives 1Ls the absolute essentials they will need to succeed in law school Just as important this remarkable book instructs all law students on how to maximize their tremendous law school investment and launch their future careers As the highly amusing always spot on Cranky Professor himself might say To understand law school you must first read this book and again Prof Babette Boliek Pepperdine University School of Law *The Zen of Law School Success* Chad Noreuil,2011 The Zen of Law School Success offers a comprehensive approach to succeeding in law school Zen is about simplicity balance knowing your universe knowing yourself and staying focused on the path to enlightenment Similarly these principles should be the foundation for success in law school and this book details how to put these principles into practice in order to maximize your ability to have a successful law school career Like the Zen path to enlightenment law school success is about balance between studying and other aspects of life as well as balancing your study time between subjects outlining etc knowing your universe knowing not only the subject matter tested but knowing how the questions are constructed knowing what to look for etc knowing yourself what type of essay writer you are what type of learner you are what type of exam taker you are etc and staying focused on your path when to study what to do when you are stressed out what to do when you don t know a subject very well etc In addition to offering a comprehensive approach to succeeding in law school the book also offers practical advice for doing well during the classroom Socratic method navigating the law school environment managing law school stress and getting a job after graduation Moreover the Zen of Law School Success focuses on doing well on final exams including specific strategies and tips for both essay and multiple choice exams The book includes many exercises and model answers that will benefit any law student and is an ideal resource for any law school Academic Achievement Program

1L SUCCESS SARA J. BERMAN,2024 **Acing Your First Year of Law School** Shana Connell Noyes, Henry S.

Noyes,1999 **Succeeding in Law School** Herbert N. Ramy,2020-03-06 In this book Professor Herbert Ramy continues his mission of demystifying the law school experience In addition to essential chapters on topics like course outlining legal writing and exam preparation this edition includes multiple new exercises so that students can self assess in order to improve their analytical abilities As the first year of law school comes to a close students can then use chapters on interviewing techniques creating a writing sample and writing a r sum to help market themselves to prospective employers Whether students are seeking advice in the summer months or are looking for help once the school year has begun this book is an important tool for helping them get the most out of their abilities **Succeeding in Law School** Herbert Ramy,2026-03-31

With the fourth edition of *Succeeding in Law School* Professor Ramo continues his mission to demystify the law school experience. The first chapters introduce students to the law school curriculum, case briefing, and what it means to think like a lawyer. Then, when students are ready, the book moves on to more challenging material like the IRAC organization, structure, objective, and persuasive analysis, and legal synthesis. To test these newfound skills, the fourth edition includes even more exercises and in-depth explanations so that students can self-assess throughout the academic year. This gives students the opportunity to course-correct early so that small mistakes don't snowball into more significant problems. As the first year of law school comes to a close, students can then use chapters on interviewing techniques, creating a writing sample, and writing a resume to help market themselves to prospective employers. Also new for this edition is the use of masculine and feminine pronouns, and has been limited to create a more inclusive reading experience for all new law students. Whether students are seeking advice in the summer months or are looking for help once the school year has begun, this book is an important tool for helping them get the most out of their abilities.

[How to Crush Law School](#) Charles Buist Esq., 2020-05-25

How to Crush Law School is the book I wish I could have read the summer before my 1L year. Great law students do not necessarily work harder than their colleagues. Instead, they typically have an informational advantage to combine with their excellent work ethic. In other words, they are privy to useful bits of wisdom that give them a slight edge over their competition. Unfortunately, only a fraction of law students learn the secrets to success in law school, and thus most law students are at a tremendous disadvantage. How does one obtain information other law students don't have? How does one gain an edge? *How to Crush Law School* solves the enigma; it clears up the ambiguities. In this concise book, the author explicitly reveals the secrets to success in law school and shares his most valuable bits of law school wisdom. This step-by-step guide to crushing law school reveals the following: How to prioritize law school tasks and manage time to achieve optimal efficiency; How to manage your mind and utilize neuroscience to perform at your best; How to leverage focus, willpower, habit, motivation, momentum, and positivity to gain an edge; How to approach the various types of law school exam questions, including issue spotters, traditional essays, and multiple choice questions; and How to write a perfect answer on a law school exam.

ABOUT THE AUTHOR: I don't like to brag about myself in the third person, so my about the author may be a bit unusual. Here goes: I graduated from the University of South Carolina School of Law in 2016, where I served as a research editor for the *South Carolina Law Review*. While in school, I had the honor of working as a tutor of legal research and writing. I accumulated a lot of law school accolades, including CALI awards in legal writing, advanced legal writing, income tax, and criminal procedure. During law school, I received a joint master's degree from the Vermont Law School in environmental law and policy. Thereafter, I clerked for Judge Joseph F. Anderson Jr. in the United States District Court, and then I clerked for Judge David R. Duncan at the United States Bankruptcy Court. After law school, I went back to business school and received an MBA from the University of South Carolina, where I focused on marketing, new venture analysis, and intellectual property strategy. While completing my MBA, I

worked as a research editor for one of my favorite professors in law school If you read all of that thank you for your interest I m flattered and I hope you enjoy the book and crush law school **Law School 101** R. Stephanie Good,2009 Everything you need to know to excel in your first year of law school and beyond Whether you are thinking about law school have already applied and been accepted or started your first year you need to know what to expect in law school and how to succeed Law School 101 gives an honest look at the law school experience from someone who has been there and tells students what they should really expect It also helps students develop the skills necessary to survive the challenges and excel in their program It includes the survival skills you need in key areas including Handling the pressure of law school What to expect from your classes and professors How to study for and pass your law school exams Job information for first and second year students Avoid common pitfalls decode law school myths and achieve your dream **Navigating Law School's Waters** Patricia Grande Montana,2014-02-21 Law school particularly the first year can be a rather intimidating and challenging experience for many students This book is designed to give students the tools they need to successfully navigate their way through it It introduces students to the fundamentals of legal analysis and writing and teaches them how to read and brief cases outline study master law school exams and care for their physical and emotional well being In short it prepares students for every aspect of their journey through law school Unlike other introduction to law school texts this book is unique in that it takes a cognitive approach to its instruction It is premised on the belief that students learn new information best when they have a schema or framework that allows them to think logically about the information Thus it routinely draws on non legal examples when introducing new topics and skills and spends substantial time explaining why law students are expected to read and brief cases outline study and write exam answers the way they are Additionally this book builds upon the same core problems throughout including the chapter exercises so that students can more easily master the relevant skills Every concept is illustrated and every chapter includes exercises that encourage students to apply what they have just learned Accordingly this book provides more than just written instructions on how to navigate law school s waters It shows law students how to do so thereby allowing them to sail smoothly through the experience with great skill and confidence Patricia Grande Montana is a Professor of Legal Writing at St John s University School of Law She earned her B A in Political Science and Psychology from Wellesley College magna cum laude and her J D from Georgetown University Law Center cum laude Before joining the law faculty at St John s she was a litigator at Latham Watkins concentrating on commercial and intellectual property matters At St John s she teaches Legal Writing and Drafting Federal Civil Practice She is also the founder and Director of the Street Law Legal Education in the Community Program where law students teach a practical law course to high school students in the community She is a member of Phi Beta Kappa and the New York Connecticut and Massachusetts state bar associations Professor Montana has authored and presented many articles on legal writing theory and pedagogy as well as professional skills instruction First Year Law Student Kaplan,2008-01-01 **First-Year Law School Success** Ira Shafiroff,2018-05
