produced out of literary texts From past to present literary texts of many popular writers from national to global level have been adapted into Indian cinema and also Indian literary texts into foreign cinema However adapting a literary work into a two or three hours cinema mostly in case of a novel is not always an easy task to a film maker as sometimes accommodation does not come to fit in the stipulated time frame which eventually results in messing up the whole essence of the original art Regardless of partial or whole a cinema based on literary text has always been a great appeal to an erudite person The present anthology is an endeavour of some select Indian cinema based on literary texts irrespective of Indian and foreign and also some foreign cinema based on wholly Indian literary texts Be it Indian cinema based on popular world literature or foreign cinema based on wholly Indian texts the book is a deft study of the cinematic adaptation of literary texts from an Indian perspective
