This mark scheme is published as an aid to teachers and candidates, to illustrate the requirements of the examination. It shows the basis on which it is intended that marks will be awarded. It does not indicate the details of the discussions that take place at an Examiners' meeting/discussing meeting (sight), which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge International will not enter into discussions about these mark schemes.

Cambridge International is publishing the mark schemes for the March 2023 series for most Cambridge IGCSE™, Cambridge International A-level and AS-level components and some Cambridge O Level components.
