Question No. 1 Suppose you are hosting a famous Tv Talk show and you are required to interview a highly popular Pakistani female actress. Write at least ten questions which you will ask her to know about her incredible journey in the film industry.

Ans:

1. What inspired you to pursue a career in acting?
2. Can you share your first experience on a film set?
3. What was the turning point in your career?
4. How do you handle criticisms and stay motivated?
5. Who has been your biggest mentor in the industry?
6. What challenges did you face as a woman in the film industry?
7. How do you balance your personal life with your busy career?
8. Which role has been the most special to you, and why?
9. What advice would you give to aspiring actresses?
10. What's next for you in your career?

Question No. 2 Observe your mother's daily activities closely for a couple of weeks and then write a brief and concise paragraph about her daily routine. You are required to use at least ten sequence markers appropriately to create a both cohesive and coherent paragraph.

Ans: Every morning, my mother starts her day early with prayer, setting a peaceful tone for the day. Then, she heads to the kitchen to prepare breakfast for the family, ensuring everyone starts their day with a nutritious meal. After that, she helps us get ready for school or work, offering support and making sure we don't forget anything important. Next, she cleans the house, tidying up and organizing every corner to maintain a welcoming home. Later, she dedicates some time to reading, planning her tasks, or working on personal projects. Around noon, she shifts her focus to cooking, preparing lunch with care and love for everyone. Afterwards, she takes a well-deserved break, often enjoying a short nap or relaxing with a cup of tea. In the evening, she spends quality time with the family, engaging in conversations or guiding us with advice. Soon after, she returns to the kitchen to prepare dinner, ensuring the day ends with a hearty meal. As the day winds down, she relaxes with prayer or reflection before retiring to bed, ready to start the cycle again. My mother's dedication and balance in managing her daily tasks inspire all of us.
