King and his foreign born Queen Gandhari In the shadow of the throne stands Kunti the Dowager Queen burning with ambition to see her firstborn become the ruler acknowledged by all Amidst the chaos Prince Suyodhana heir of Hastinapura stands tall determined to claim his birthright and act according to his conscience He is the maker of his own destiny or so he believes While in the corridors of the Hastinapura palace a foreign Prince plots to destroy India About the Author Anand Neelakantan says Ajaya is an attempt to revisit our mythologies with a modern view and see what the same events look like when observed from the side of the defeated Were these people branded villains because they were far ahead of their times There are many books about the Pandavas about Karna Draupadi Kunti and the other dramatis personae of the Mahabharata But who speaks for Duryodhana Growing up in a Kerala village with more temples than necessary it was small wonder that mythology fascinated Anand early on Ironically he was drawn to the anti heroes But life called and he went on to become an engineer joined the Indian Oil Corporation moved to Bangalore married Aparna and welcomed a daughter and a son But the voices of yore refused to be silenced in his head and he felt impelled to narrate the stories of the vanquished and the damned to give life to those silent heroes we have long overlooked in our uncritical acceptance of the conventional renderings of our epics Ajaya follows the outstanding success of his 1 bestseller Asura Tale Of The Vanquished

The Asura Way: The Contrarian Path to Success Anand Neelakantan, 2024-01-17 In the age of Kali you need a new path to achieve all that you dream of What if someone told you that those age old lessons on which you've based your whole life are ineffective today What if they also told you that you could live a better more fulfilling life by following the path of the Asuras Is it not worth investigating what made the Asuras so successful against even the gods and trying to learn from them in this age of strife chaos and discord In his first nonfiction work Anand Neelakantan the national bestselling author of Asura Tale of the Vanquished explores a contrarian way of living that makes more sense in this Kali Yuga With great skill and logic Anand shatters the myths associated with the so called six enemies of the mind anger passion greed infatuation pride and competitive spirit He explains how following conventional advice holds you back from achieving success and happiness in life Using riveting examples from mythology he demonstrates how these same six qualities can propel you in the direction of success and help you achieve your goals

you know how Narada pranked the world s richest man Everyone knows that when the mischievous sage Narada is around trouble can t be far behind And this time it follows him into the palace of Kubera the god of wealth who dreams of getting richer Tricked by the master prankster Narada Kubera decides to host Ganesha s birthday party And the rest is Narayana Narayana This humour filled tale with charming illustrations the second in the chapter book series by bestselling author Anand Neelakantan is packed with action fun and dollops of laughter making it a delightful read [The Story of Dharma and Adharma Mahabharata, Part 1](#) Rishi Nanda, Mehak Mahajan Nanda,2025-01-18 As the saying goes there are three sides to every story Your Truth My Truth and The Real Truth In Sanatan Dharma there are millions of books and story tellers so whichever book or story a person has read heard or seen it becomes that person s truth The key point to note is that there are usually multiple stories explaining the same fact occasion or festival So each version is right in its own merit This is a result of the natural evolution the stories might have gone through the process of being handed over from generation to generation for centuries Many concepts and secrets are hidden in these stories and we are going to explore such secretive learnings and evolve on how to lead life personally and professionally In our book we have not only shared the story of Mahabharata but after every chapter we have shared the learnings from that chapter and trivia of many characters We have strived to make it the best resource on Mahabharata available to you Mahabharata is an Itihasa which means thus it happened Mahabharata was written by the great author Maharishi Ved Vyasa Mahabharata is not only about a war between two branches of a family or a tale of good versus evil but it s a profound exploration of human nature choices and consequences Every character embodies a mix of virtues and flaws blurring the line between Dharma and Adharma In this epic everyone is both right and wrong in their own way While Adharma has seemingly triumphed the question remains will the Pandavas reclaim their kingdom or does Mama Shakuni still have one last ace up his sleeve **A Distinct Panoramic**

ASURA : Tale of the Vanquished Anand Neelakantan,1-12-12 The epic tale of victory and defeat The story of the Ramayana had been told innumerable times The enthralling story of Rama the incarnation of God who slew Ravana the evil demon of darkness is known to every Indian And in the pages of history as always it is the version told by the victors that lives on The voice of the vanquished remains lost in silence But what if Ravana and his people had a different story to tell The story of the Ravanayana had never been told Asura is the epic tale of the vanquished Asura people a story that has been cherished by the oppressed outcastes of India for 3000 years Until now no Asura has dared to tell the tale But perhaps the time has come for the dead and the defeated to speak For thousands of years I have been vilified and my death is celebrated

year after year in every corner of India Why Was it because I challenged the Gods for the sake of my daughter Was it because I freed a race from the yoke of caste based Deva rule You have heard the victor s tale the Ramayana Now hear the Ravanayana for I am Ravana the Asura and my story is the tale of the vanquished I am a non entity invisible powerless and negligible No epics will ever be written about me I have suffered both Ravana and Rama the hero and the villain or the villain and the hero When the stories of great men are told my voice maybe too feeble to be heard Yet spare me a moment and hear my story for I am Bhadra the Asura and my life is the tale of the loser The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas In desperation the Asuras look up to a young saviour Ravana Believing that a better world awaits them under Ravana common men like Bhadra decide to follow the young leader With a will of iron and a fiery ambition to succeed Ravana leads his people from victory to victory and carves out a vast empire from the Devas But even when Ravana succeeds spectacularly the poor Asuras find that nothing much has changed for them It is when that Ravana by one action changes the history of the world
