Swynnoe, 2002 A study of the British contribution to film music detailing the idiosyncracies of British film and showing how the differences between it and Hollywood affected composers on both sides of the Atlantic Jan Swynnoe's study is concerned with the special British contribution to film music detailing how the idiosyncracies of British film and of the British character set it apart from its Hollywood counterpart She shows how the differences between the two industries in all aspects of film making variously affected composers on both sides of the Atlantic In the mid 1930s when film composers in America were perfecting the formulae of the classical Hollywood score film music in Britain scarcely existed within a year or so however top British composers were scoring British films How this transformation was brought about and how established British concert composers including Vaughan Williams and Arnold Bax faced the challenge of the exacting and often bewildering art of scoring for feature film is vividly described here and the resulting scores compared with the work of seasoned Hollywood composers JAN SWYNNOE researched the material on which her book is based over several years at the same time pursuing her musical life as pianist percussionist and composer [Rum Running and the Roaring Twenties](#) Philip P. Mason, 2024-05-14 A fascinating look at the excesses and failures of Prohibition in the United States and specifically in Michigan On January 17 1920 the Eighteenth Amendment took effect in the United States prohibiting the manufacture sale use or importation of alcoholic beverages Yet the resulting peace and tranquility predicted never materialized The Prohibition experiment failed dismally in the United States and nowhere worse than in Michigan The state's close proximity to Canada where large amounts of liquor were manufactured made it a major center for the smuggling and sale of illegal alcohol Although federal state and local law enforcement agencies attempted to stop the flow of liquor into Michigan an astounding seventy five percent of all illegal liquor brought into the United States was transported across the Detroit River from Canada Using police and court records newspaper accounts and interviews with those who lived during the time Philip P Mason has constructed a fascinating history of life in Michigan during Prohibition He regales readers with stories of the bungled efforts by officials at every level to control the smuggling and sale of illegal alcohol Most entertaining are the creative smuggling efforts undertaken by citizens of all walks of life the poor middle class and affluent upstanding citizens and organized criminals and gang members By 1928 Prohibition was a major issue in the presidential campaign In 1933 with the support of President Franklin Roosevelt Michigan's governor William Comstock and other leaders the Twenty first Amendment was passed repealing Prohibition Michigan was the first state to ratify the amendment on April 10 1933 and soon the Detroit River was returned to pleasure boats and fishing and commercial vessels whose holds no longer carried illegal liquor **The Pen and the Sword** Jonathan Pearlman, 2022-11-17 Successive generations of Israeli writers have charted the hopes of peace and the pain of conflict What does the nation's writing reveal about the challenges of today The process of saying goodbye to these two authors who had been a visible presence in Israeli society for decades is far from over Nir Baram *The Pen and the Sword* explores the efforts by successive generations of Israeli writers to grapple with their

nation's difficult political questions In a probing essay Israeli novelist Nir Baram examines the remarkable friendship between two giants of Israeli literature Amos Oz and A B Yehoshua whose lives writing and passionate disputes reflect their country's recent turbulent history and divides And leading critic Arik Glasner surveys a younger generation of Israeli writers whose disparate voices and stories provide a crucial glimpse into Israel today The issue also includes Steven Nadler's new insights into the excommunication of Spinoza Michael Vatikiotis's portrait of the Jewish community of pluralist Singapore and book reviews by Iris Makler Benjamin Balint and Catherine Taylor *Shakespeare's Derived Imagery* John Erskine Hankins, 2016-12-20 **The National magazine and general review** James Lyon (of Fairhaven, Vermont),
