

STUDENT READING QUESTIONS

for *The American Pageant*

The American Pageant

Twelfth Edition

David M. Kennedy · Linda R. Cohen · Thomas A. Bruneau

Themes in American History

As students study history, several important, interrelated conceptual understandings about the evolution of American society should be developed. The student who studies American history should be able to identify major developments and changes in time, and understanding what history is, and how it is studied, is an important conceptual understanding. Students should understand that history is not just a collection of facts, but a way of understanding the past. The student who studies history should be able to understand the past and its relevance to the present. The student who studies history should be able to understand the past and its relevance to the present. The student who studies history should be able to understand the past and its relevance to the present.

Politics

- 1. How does the government work? (The student should be able to identify the three branches of government and their functions.)
- 2. How does the government work? (The student should be able to identify the three branches of government and their functions.)
- 3. How does the government work? (The student should be able to identify the three branches of government and their functions.)
- 4. How does the government work? (The student should be able to identify the three branches of government and their functions.)

Economics

- 1. How does the economy work? (The student should be able to identify the three branches of government and their functions.)
- 2. How does the economy work? (The student should be able to identify the three branches of government and their functions.)
- 3. How does the economy work? (The student should be able to identify the three branches of government and their functions.)
- 4. How does the economy work? (The student should be able to identify the three branches of government and their functions.)

Society

- 1. How does society work? (The student should be able to identify the three branches of government and their functions.)
- 2. How does society work? (The student should be able to identify the three branches of government and their functions.)
- 3. How does society work? (The student should be able to identify the three branches of government and their functions.)
- 4. How does society work? (The student should be able to identify the three branches of government and their functions.)

Education

- 1. How does education work? (The student should be able to identify the three branches of government and their functions.)
- 2. How does education work? (The student should be able to identify the three branches of government and their functions.)
- 3. How does education work? (The student should be able to identify the three branches of government and their functions.)
