Advertising Creative Strategy Copy And Design:

Advertising Creative Tom Altstiel, Jean Grow, Marcel Jennings, 2019-01-18 Advertising Creative Fifth Edition continues to weave discussions about digital messaging through every chapter. Yet the underlying theme is still about one thing that never changes: the need for fresh concepts and big ideas in pursuit of the One Thing. This edition introduces a new co-author Marcel Jennings who brings a fresh perspective from his background as a copywriter and creative director as well as teaching at Virginia Commonwealth University. As always, the authors draw upon their experiences as working advertising professionals and teachers to get right to the point, stressing key principles and practical information that students and working professionals can use to communicate more effectively to build memorable brands. They also address some of the key issues impacting our industry today, such as gender equality, diversity in the workplace, and business ethics.

Advertising Creative Tom Altstiel, Jean Grow, Dan Augustine, Joanna L. Jenkins, 2022-04-18 Advertising Creative Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use. Drawing on personal experience as award-winning experts in creative advertising, this new edition offers real-world insights on cutting-edge topics including global social media, business-to-business, in-house, and small agency advertising. In the new edition, authors Tom Altstiel, Jean Grow, Dan Augustine, and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry as they expose the pervasive changes experienced across the global advertising landscape. Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry: Be a risk taker, Understand technology, Live for ideas. The latest edition addresses some of the key issues impacting our industry today, such as diversity in the workplace, international advertising, and design in the digital age.

Advertising Creative Tom Altstiel, Jean Grow, 2010 Allows for greater tactical discussion based on similarities within each group. For example, the one chapter on print combines former chapters on newspaper and magazine, broadcast merges radio and TV, and digital addresses the expansion of on-line and off-line digital media. Completely new interior design with numerous 4-color inserts to showcase sample ads and end-of-chapter exercises designed for in-class use to actualize the concepts discussed in the chapter. Advertising Creative is an excellent textbook for students studying advertising, public relations, or marketing in courses such as Advertising, Copywriting, Advertising Strategies, Creative Strategy and Tactics, Advertising Campaigns, Marketing Communications, and Media Writing. It is also an ideal resource for entry-level professionals in advertising and marketing.
