Alexander the Great Robin Lane Fox, 1973 First published 1973 Biography of one of Greece's greatest ancient heroes

Alexander the Great, by Robin Lane Fox. [1964]. [Review]. Ernst Badian, *The Conquests of Alexander the Great* Waldemar Heckel, 2012-03-29 Ancient Greece **Alexander the Great** Robin Fox, 2004-10-05 Tough resolute fearless Alexander was a born warrior and a ruler of passionate ambition who understood the intense adventure of conquest and of the unknown When he died in 323 B C E at age thirty two his vast empire comprised more than two million square miles spanning from Greece to India His achievements were unparalleled he had excelled as leader to his men founded eighteen new cities and stamped the face of Greek culture on the ancient East the myth he created is as potent today as it was in the ancient world Robin Lane Fox's superb account searches through the mass of conflicting evidence and legend to focus on Alexander as a man of his own time Combining historical scholarship and acute psychological insight it brings this colossal figure vividly to life

Swords and Cinema Jeremiah McCall, 2015-01-14 A dive into the authenticity of battle scenes in epic films set in the Greco Roman world from Stanley Kubrick's *Spartacus* to Ridley Scott's *Gladiator* The battles and sieges of the Classical world have been a rich source of inspiration to film makers since the beginning of cinema and the sixties and seventies saw the golden age of the swords and sandals epic with films such as *Spartacus* Ridley Scott's *Gladiator* led a modern revival that has continued with the release of films like *300* *The Eagle* and *Centurion* and HBO's mini series *Rome* While Hollywood interpretations of Classical battle continue to spark interest in ancient warfare to casual viewers and serious enthusiasts alike they also spark a host of questions about authenticity What does Hollywood get right and wrong about weapons organization tactics and the experience of combat Did the Spartans really fight clad only in their underpants and did the Persians have mysterious silver masked assassins in their armies This original book discusses the merits of battle scenes in selected movies and along the way gives the reader an interesting overview of ancient battle It should appeal to the serious student of ancient warfare movie buffs and everyone in between Jeremiah McCall impresses us with detail on the motion pictures relevant to ancient history an honest and informative style UNRV com The author has managed to produce a readable informative and credible perspective His work is entertaining and his conclusions have an authoritative feel to them Enjoy FIRE Project

The Marshals of Alexander's Empire Waldemar Heckel, 2005-10-26 This book presents for the first time in English a detailed study of the closest friends and most trusted commanders of Alexander the Great their career progress their rivalry with one another and their influence on Alexander The Marshals of Alexander's Empire is a blend of biography and prosopography that sheds light on some of the most dynamic individuals of the age of Alexander

Alexander's Lovers (Second Edition) Andrew Chugg, 2012-03-01 Alexander's Lovers reveals the personality of Alexander the Great through the mirror of the lives of those with whom he pursued romantic relationships including his friend Hephaistion his queen Roxane his mistress Barsine Bagoas the Eunuch Did you know that Alexander got the idea of

adopting Persian dress from a book he read in his youth Had you realised that Alexander's pursuit of divine honours was part of his emulation of Achilles that Bagoas undertook a diplomatic mission or that Hephaestion's diplomacy kept Athens from joining a Spartan rebellion Are you aware that Aetion's painting of Alexander's marriage depicted Hephaestion Bagoas as well as Roxane and really depicted the King's passions Which girl was betrothed to Alexander's son Would it surprise you that Alexander's mourning for Hephaestion was conducted according to models from Homer and Euripides If you would like to get to know Alexander on a more personal level then you need to read this book Second edition revised updated **Alexander the Great** Robin Lane Fox, 1991

Ancient History: Key Themes and Approaches Neville Morley, 2002-09-09 Ancient History Key Themes and Approaches is a sourcebook of writings on ancient history It presents over 500 of the most important stimulating and provocative arguments by modern writers on the subject and as such constitutes an invaluable reference resource The first section deals with different aspects of life in the ancient world such as democracy imperialism slavery and sexuality while the second section covers the ideas of key ancient historians and other writers on classical antiquity Overall this book offers an invaluable introduction to the most important ideas theories and controversies in ancient history and a thought provoking survey of the range of views and approaches to the subject [The Realist Tradition in International Relations](#) Barry Scott Zellen, 2011-08-19 This comprehensive foundation for the study of realism will introduce students in disciplines as varied as philosophy international relations and strategic studies to the majestic breadth of the realist tradition that unifies them all The Realist Tradition in International Relations The Foundations of Western Order introduces the principal theorists who have shaped and defined the realist tradition This once dominant theory of international politics has reemerged to provide a shared foundation for understanding political theory international relations theory and strategic studies The work is comprised of four volumes each focusing upon a distinct period and the pivotal contributors writing in that era Volume 1 State of Hope looks at the classical era when chaos reigned supreme Volume 2 State of Fear goes through the early modern period and the emergence of the modern state Volume 3 State of Awe explores the age of total war with its unprecedented dangers Volume 4 State of Siege examines the present era of insurgency and asymmetrical conflict A truly monumental work this sweeping study will surely foster a new appreciation of the rich tapestry of realist thought and its continuing relevance to the study of world politics **Film Stardom and the Ancient Past** Michael Williams, 2018-01-13 This book offers the first comprehensive exploration of how the ancient past has shaped screen stardom in Hollywood since the silent era It engages with debates on historical reception gender and sexuality nostalgia authenticity and the uses of the past Michael Williams gives fresh insights into divinized stardom a highly influential and yet understudied phenomenon that predates Hollywood and continues into the digital age Case studies include Greta Garbo and Mata Hari 1931 Buster Crabbe and the 1930s Olympian body the marketing of Rita Hayworth as Venus in the 1940s sculpture and star performance in Oliver Stone's Alexander 2004 landscape and sexuality in Troy 2004 digital afterimages of

stars such as Marilyn Monroe and the classical body in the contemporary ancient epic genre The author's richly layered archaeological approach uses detailed textual analysis and archival research to survey the use of the myth and iconography of ancient Greece and Rome in some of stardom's most popular and fascinating incarnations This interdisciplinary study will be significant for anyone interested in star studies film and cultural history and classical reception *The Wars of Alexander's Successors, 323-281 BC* Bob Bennett, Mike Roberts, 2013-01-19 This history of Ancient Greek warfare vividly chronicles the struggle for control of the Macedonian Empire a fateful time of change in the Ancient World As the story goes Alexander the Great decreed from his deathbed that his vast Macedonian Empire should go to the strongest What followed was an epic struggle between generals and governors for control of the territories Most of these successors known as the Diadochi were consummate tacticians who learned the art of war from Alexander himself or from his father Philip Few died a peaceful death and the last survivors were still leading their armies against each other well into their seventies These conflicts reshaped the ancient world from the Balkans to India In two volumes *The Wars of Alexander's Successors* presents this critical period of ancient warfare with all its colorful characters epic battles treachery and subterfuge This first volume introduces the key personalities including Antigonos Monophthalmus the One Eyed and his son Demetrius Poliorcetes the Besieger Seleucus Nicator the Victorious and Ptolemy Soter the Saviour It also gives a narrative of the causes and course of these wars from the death of Alexander to the Battle of Corupedium in 281 BC when the last two original Diadochi faced each other one final time

The Greeks Roderick Beaton, 2021-11-02 A sweeping history of the Greeks from the Bronze Age to today More than two thousand years ago the Greek city states led by Athens and Sparta laid the foundation for much of modern science the arts politics and law But the influence of the Greeks did not end with the rise and fall of this classical civilization As historian Roderick Beaton illustrates over three millennia Greek speakers produced a series of civilizations that were rooted in southeastern Europe but again and again ranged widely across the globe In *The Greeks* Beaton traces this history from the Bronze Age Mycenaeans who built powerful fortresses at home and strong trade routes abroad to the dramatic Eurasian conquests of Alexander the Great to the pious Byzantines who sought to export Christianity worldwide to today's Greek diaspora which flourishes on five continents The product of decades of research this is the story of the Greeks and their global impact told as never before Macedonia Thammy Evans, Rudolf Abraham, 2015-04-05 A new edition of the only English language guide that focuses solely on Macedonia thoroughly updated and including coverage of new renovated public buildings museums in Skopje Hollywood's Ancient Worlds Jeffrey Richards, 2008-07-01 Jeffrey Richards examines the cultural social economic and technological circumstances that dictated the rise and decline of each successive cycle of Ancient World epics from the silent film era to the golden age of the 1950s right up to the present day *Gladiator* 300 Rome Analysis reveals that historical films are always as much about the time in which they are made as they are about the time in which they are set The ancient world is often used to deliver messages to the contemporary audience about the present

hostility to totalitarian regimes both Fascist and Communist concern at the decline of Christianity support for the new state of Israel celebrations of equality and democracy and concern about changing gender roles The whole adds up to a fresh look at a body of films that people think they know but about which they will learn a good deal more *The Concept of Humanity in an Age of Globalization* Longxi Zhang,2012 Rethinking humanity as a concept in our age of globalization and its relevance to the social and political reality of our times are the topic of this book It calls for the reclaiming of humanism as an effective response to the conflict turmoil and violence we witness in the world today Concepts of humanity and humanism have become suspect of naivete at best and guilty of bad faith and repressive ideologies at worst Yet hope for improvement is incorrigibly human the concept of humanity still holds enormous attraction to intellectuals and humanistic scholars At the same time it is important to realize that the critique of humanism is very much based on and limited to Western social and historical experience To re conceptualize humanity and humanism from a truly global perspective will help in reclaiming a more inclusive kind of humanism In this sense a cross cultural perspective is important for reclaiming humanism in our age of globalization The present volume is the result of such an effort The diversity of the authors views speaks eloquently to the complexity of the concept of humanity or what constitutes the distinctly human and therefore the necessity to have an in depth dialogue on the fate of humanity **Disability in Ptolemaic Egypt and the Hellenistic World** Alexandra F.

Morris,2024-12-20 This is one of the first single authored books to utilise Critical Disability Studies and the lens of embodiment to comprehensively unveil explore and celebrate disability in Ptolemaic Egypt and the Hellenistic world through a critical examination of art artefacts texts and human remains Through a thoughtful investigation this volume reveals often overlooked narratives of disability within Ptolemaic Egypt and the larger Hellenistic world 332 BCE to 30 BCE Chapters explore evidence of physical and intellectual disability ranging from named individuals representations of people and mythological figures with dwarfism blindness and vision impairments cerebral palsy mobility impairments spinal disability and medicine healing and prosthetics Morris examines the historiographical ways in which disability has been approached and how ancient disability histories are mis represented in various contemporary spaces It uses terminology informed by the disability community and offers guidance for disability inclusivity in curatorial and pedagogical museum and university contexts as well as prioritizing disability as an essential area of research in ancient world studies and assisting readers with the identification of ancient disability artefacts The first book length treatment of the subject Disability in Ptolemaic Egypt and the Hellenistic World provides a much needed resource for students and scholars of ancient Egypt Egyptology Classics Classical Studies and disability in the ancient world It is also suitable for researchers in Disability Studies practitioners in broader Ancient World Studies and museum and heritage professionals It is accessible to disabled people curious about their own history as well as nondisabled people interested in disability history and those interested in a more accurate view of ancient Egyptian history *Encyclopedia of the Ancient Greek World* David Sacks,Oswyn Murray,Lisa R.
