Rice, 2022-08-18 Stephen had seemed enthusiastic about the walk when Benny first invited him He kept going on about how amazing it d be the two of them out in the wilderness the landscape shots the pubs etc etc Benny didn t interrupt this stream of enthusiasm They were in the car park of the Miners and Benny was too busy concentrating on his own stream of piss He didn t think about it at all until the next morning When he remembered inviting Stephen Benny laughed out loud a single ha then spent three minutes silent screaming into his pillow Benny thought that it would be him and his dad doing the walk Just him and his father hiking through the Welsh countryside like they used to Only when his dad got ill it became obvious that this would never happen So Benny was forced to consider other options If Benny is honest him and Stephen haven t been close since school but once Benny had drunkenly blurted out the invitation he couldn t take it back Now Benny and Stephen are on the walk A walk Benny has vowed to finish no matter how hard it is But as food runs low and money runs out Stephen and Benny find themselves stranded on the edge of the world far from home where the possibility of return is becoming increasingly distant
