

## ➤ CAMBRIDGE PET – B1 READING – PART 5

### ➤ Exercise 22

Choose the correct answer for each space

#### My first flight

Last week my family and I travelled by plane for the first time. I must admit we all had a few questions that we were too (21)..... to ask anyone and I guess there are many other teens that could use some (22)..... to help them go through their first flight.

So, first, make sure you arrive with all the (23)..... paperwork to board the flight: that is your passport, which must be valid. As most airlines issue e-tickets, don't worry if you don't get a paper ticket, as well. Once you show though your e-ticket to the staff, you will be given a physical boarding pass; this is what will give you (24)..... to the aeroplane.

All travellers get confused by airline rules about baggage. For trips lasting several days or more, you'll need to (25)..... in a piece of hold luggage, while for a long weekend or for a city break, all you need can usually fit into a bag or case which you can take with you on the plane.

Once you've made it successfully on to your flight, look for a number followed by a letter on your boarding pass. That's your seat number. If you can't locate your seat, the cabin crew will be happy to help and put your luggage in a safe place, either in an overhead (26)..... or under your seat. Now, all you need to do is sit back and relax.
