In the years 2015 and 2016 more than 2 5 million refugees came to the European Union to seek asylum Many of these refugees acquired professional qualifications in their home countries but despite these qualifications they often struggle integrating into the labour market The complex recognition process for their qualifications is one of the main reasons At the same time the European Union is facing an alarming gap of SME successors and entrepreneurs More entrepreneurs are needed and refugees need an easier way to become integrated into the labour market in their host country These two principals were combined in the NEW ENTREPRENEURS project A procedure for the identification of entrepreneurial potential builds the foundation This is accompanied with a language training and a motivation and creativity training To promote entrepreneurship a special training was developed tested evaluated and implemented accompanied with

a business start up and takeover training A comprehensive coaching process accompanies the whole process The developed procedures and trainings were successfully applied also to natives in Hungary meaning that the range of the potential beneficiaries is even larger than expected This publication contains the relevant curricula application notes and experiences as a result of the project NEW ENTREPRENEURS with the following partners Hanse Parlament DE Berufsakademie Hamburg DE Institut für angewandte Gewerbeforschung AT Ipartest letok Országos Székes Tudományos Akadémia HU T2I Trasferimento Tecnologico e innovazione scrl IT

The Robert Trent Jones Golf Trail Mark Fagan, 2016-03-01 The Robert Trent Jones Golf Trail tells how a bold imaginative investment by a public employee pension fund turned into a world class tourist attraction that helped change the image and boost the economy of an entire state The pension fund was the Retirement Systems of Alabama and its alternative investment was in a string of golf courses and affiliated high end hotels and spas In business speak this was an economically targeted investment designed to diversify returns create jobs and increase tax revenue Twenty five years later the Robert Trent Jones Golf Trail is known worldwide for the quality and beauty of its courses and the hospitality and elegance of its resorts It has significantly increased Alabama's infrastructure for tourism and conventions provided millions upon millions in new tax revenues spurred construction of thousands of units of adjacent housing and helped persuade other businesses to locate in the state Making the Golf Trail a reality involved not only the initial vision of CEO David G Bronner and his associates at RSA but also the design genius and reputation of Robert Trent Jones Sr and the hard work of many dedicated engineers and builders It also required the cooperation of scores of local and state elected officials and economic developers This book is the illustrated historical account of the financial legal political and economic impact details of RSA's investment in the RTJ Golf Trail Such a detailed history could not have been written without the years of economic analysis conducted by author Mark Fagan dating back to the earliest stages of the concept Fagan's ongoing involvement with Dr Bronner and those working to develop the Trail made possible the mammoth one of a kind history that is presented in this book
