by an access code to all of the resources found in one of our best selling multimedia products Best of all Our Books a la Carte Plus titles cost less than a used textbook Exceptionally comprehensive innately interesting and extremely readable this best seller introduces readers to the study of contemporary marriages and families in ways to which they can easily relate It examines the diversity of American families giving equal attention to all racial ethnic and other societal groups and examines not only the choices but the constraints that often limit our family related choices today This open minded approach combined with a set of practical guidelines presented in each chapter encourages learners to think and act for themselves and thereby join the effort to resolve some of the crucial issues confronting 21st century families A six part organization places marriage and the family in perspective looks at the individual and developing relationships as well as the individual and marital commitments considers parents and children explores conflicts and crises and offers an understanding of changes and transitions For those interested in a complete and current study of marital and family relationships in America

Schools and Society Jeanne H. Ballantine,Joan Z. Spade,2011-04-04 Offering a wide array of theoretical perspectives and methods a broad range of resources and both classic and contemporary studies this fully updated Fourth Edition uses the open systems approach to provide readers with a framework for understanding and analyzing the book s disparate topics Edited by Jeanne H Ballantine and Joan Z Spade both of whom actively teach Sociology of Education courses this text includes dozens of readable articles that illustrate major concepts and theoretical perspectives in the field *Our Social World* Dr Jeanne H Ballantine,Keith A. Roberts,2011-04-25 The Third Edition of Our Social World Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos **Revel for Marriages and Families Access Card** Dr Nijole V Benokraitis,Cheryl Buehler,2018-08-03 For courses in Marriage and the Family A comprehensive introduction to the issues families face today Revel TM Marriages Families Changes Choices and Constraints explores important contemporary changes in society and the family through the lenses of the choices that are available to family members and the constraints

that often limit their choices Authors Nijole Benokraitis and Cheryl Buehler examine a variety of cross cultural and multicultural scenarios to help students better understand the families in which they were raised as well as the families they may be forming themselves The 9th Edition includes fully up to date data as well as coverage of contemporary topics such as adult children living at home the effects of same sex marriage legalization and the gray divorce revolution Revel is Pearson's newest way of delivering our respected content Fully digital and highly engaging Revel replaces the textbook and gives students everything they need for the course Informed by extensive research on how people read think and learn Revel is an interactive learning environment that enables students to read practice and study in one continuous experience for less than the cost of a traditional textbook NOTE This Revel Combo Access pack includes a Revel access code plus a loose leaf print reference delivered by mail to complement your Revel experience In addition to this access code you will need a course invite link provided by your instructor to register for and use Revel

Disability Identity and Marriage in Rural China Jing Yang,2017-11-22 Based on data collected through in depth fieldwork observation and interviews in Bai Township this book examines how women with disabilities in rural Southwest China compensate for their disability identity through marriage As the first book to theorize the married life of rural based women with different types of disabilities it provides a more holistic picture of their marital life by tracing the marriage process from mate selection to wedding ceremony reproduction and role performance It also generates a substantive theory grounded in the real experiences of women living with disabilities with Jing Yang arguing that these women are not passive victims in the marital process but active agents who endeavour to minimize the risk of abuse and maximize security and satisfaction in their marriage By examining the effects of fertility patriarchy and village society on women with disability this book will be of huge interest to students and scholars of many disciplines including disability studies sociology social work women's studies and Chinese culture and society

Social Problems Corey Dolgon,Chris Baker,2010-08-03 p This book empowers the powerless and gives sociologists and their students a new vantage point for understanding Judith Blau University of North Carolina Chapel Hill In Social Problems A Service Learning Approach authors Corey Dolgon and Chris Baker integrate an innovative case study approach into a comprehensive introduction that helps students understand how they can address social problems in their communities by applying basic theories and concepts Contributor to the SAGE Teaching Innovations and Professional Development Award

Marriages and Families Nijole V. Benokraitis,1998-11 This carefully written guide helps students better understand the material presented in the text Each chapter consists of chapter summaries definitions of key terms concepts critical thinking exercises geared to the questions in the text and a self test questions page referenced to the text

Marriages and Families + Myfamilylab Nijole V. Benokraitis,2010-01-01 All of the same content as the comprehensive text in a convenient three hole punched loose leaf format at a discounted price Changes Choices and Constraints Marriages and Families offers students a comprehensive introduction to many issues facing families in the twenty first century The text's major theme Changes

Choices and Constraints explores Contemporary changes in families and their structure Impacts on the choices that are available to family members Constraints that often limit our choices Through this approach students are better able to understand what the research and statistics mean for themselves Marriages and Families balances theoretical and empirical discussions with practical examples and applications It highlights important contemporary changes in society and the family This text is written from a sociological perspective and incorporates material from other disciplines history economics social work psychology law biology medicine family studies women s studies and anthropology More about the themes

ChangesExamines how recent profound structural and attitudinal changes affect family forms interpersonal relationships and raising children It reaches beyond the traditional discussions to explore racial ethnic families single parent families and gay families as well as the recent scholarship by and about men fathers and grandfathers Contemporary American marriages and families vary greatly in structure dynamics and cultural heritage Thus discussions of gender roles social class race ethnicity age and sexual orientation are integrated throughout this book To further strengthen students understanding of the growing diversity among todays families the author included a series of boxes that focus on families from many cultures ChoicesOn the individual level family members have many more choices today than ever before People feel freer to postpone marriage to cohabit or to raise children as single parents As a result household forms vary greatly ranging from commuter marriages to those in which several generations live together under the same roof ConstraintsAlthough family members choices are more varied today we also face greater macro level constraints Our options are increasingly limited for example by government policies Economic changes often shape family life and not vice versa Political and legal institutions also have a major impact on most families in tax laws welfare reform and even in defining what a family is Because laws public policies and religious groups affect our everyday lives the author has framed many discussions of individual choices within the larger picture of the institutional constraints that limit our choices

Marriages and Families Nijole V. Benokraitis,2010-01-11 By introducing the themes of Changes Choices and Constraints when presenting the basic concepts theory research and statistics about marriages and families Benokraitis discusses how contemporary changes in families and their structure impact the choices student s actually have and how society can constrain their marriages families and relationships Through this approach students are better able to understand what the research and statistics mean for themselves

Prejudice Von Bakanic,2009 With an interdisciplinary social psychological perspective Prejudice Attitudes About Race Class and Gender examines the role of structural inequality and the cognitive dimension of prejudices Bridging micro mezzo and macro perspectives this text considers the role of prejudice in individual cognition in interaction between individuals and groups and its role in justifying inequality

Marriages & Families Nijole Vaicaitis Benokraitis,Karen Secombe,2025 Welcome to the ninth edition of Marriages Families Changes Choices and Constraints As in the past this text s basic premise is that up todate research and statistics can help us better understand the families in which we were raised and are forming ourselves

The significance of families extends beyond personal experience however Our marriages and families affect and are affected by larger social structures such as the economy politics education religion health care systems and military organizations

Scholarly Work Comprehensiveness and Readability This new edition incorporates information from almost 1 400 new books scholarly articles and reports Providing students with the most up to date material and emerging issues on family behavior enhances their pool of knowledge as one of our undergraduate sociology professors used to say and helps them make better decisions in their everyday lives

Marriages Families offers students a comprehensive introduction to many issues facing families in the twenty first century Although written from a sociological perspective the book incorporates material from other disciplines history economics social work psychology human development family science law biology medicine and anthropology The material also encompasses women s studies and gay and lesbian studies as well as both quantitative and qualitative studies Nationally representative and longitudinal data are supplemented by insights from clinical case and observational studies

Readability continues to be one of this text s most attractive features A major reason for this book s success is that it discusses theories and recent studies in ways that students find interesting As one of our students once said This is the first textbook I ve had where I don t count how many more pages I have to read while I m still on the first page In addition faculty reviewers consistently describe writing as very clear and excellent According to one reviewer for example The interesting anecdotes and quotes help to maintain the student s interest while also providing realistic examples of the topic under discussion

Cultural Sociology of Divorce Robert E. Emery, 2013-01-24 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII s divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology

Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally

Cross References and Further Readings guide readers to additional resources

A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and

browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics

Books in Print ,1991 **Marriages and Families: Changes, Choices and Constraints** Nijole V.

Benokraitis,2001-09-14 Each chapter consists of chapter summaries definitions of key terms concepts critical thinking exercises geared to the questions in the text and a self test questions page referenced to the text **Marriages and Families** Nijole Vaicaitis Benokraitis,1996 This textbook introduces students to the study of marriage and the family in ways to which they can easily relate Giving equal attention to people of all racial ethnic and other societal groups the author shows students that as families continue to change they have more and more choices but that those choices are also subject to often serious constraints on both the macro and micro level The author s approach encourages students to think for themselves and practical guidelines in every chapter encourage them to go beyond thought to action to become part of the effort to resolve some of the crucial issues that confront all 21st century families **UCLA Women's Law Journal** ,2014
