Mastering Financial Calculations A Step By Step Guide To The Mathematics Of Financial Market Instruments 3rd Edition The Mastering Series:

Mastering Financial Calculations Bob Steiner, 2012-05-14 Success in today's sophisticated financial markets depends on a firm understanding of key financial concepts and mathematical techniques. *Mastering Financial Calculations* explains them in a clear, comprehensive way so even if your mathematical background is limited, you'll thoroughly grasp what you need to know. *Mastering Financial Calculations* starts by introducing the fundamentals of financial market arithmetic, including the core concepts of discounting, net present value, effective yields, and cash flow analysis. Next, walk step by step through the essential calculations and financial techniques behind money markets and futures, zero-coupon analysis, interest rate and currency swaps, bonds, foreign exchange, options, and more. Making use of many worked examples and practical exercises, the book explains challenging concepts such as forward pricing, duration analysis, swap valuation, and option pricing, all with exceptional clarity. Whether you are a trader, fund manager, corporate treasurer, programmer, accountant, risk manager, or market student, you'll gain the ability to manipulate and apply these techniques with speed and confidence. **Mastering**

Financial Calculations Steiner, 2007 The latest edition of *Mastering Financial Calculations* is the definitive guide to explaining key financial concepts and mathematical techniques in a clear and comprehensive manner. New to this edition is its coverage on recent developments in financial instruments, with fully updated explanations on mastering the essential calculations and financial techniques behind the money markets. This includes discussions on interest rates and currency swaps, foreign exchange, and cash flow analysis. Whether you are a trader, fund manager, corporate treasurer, risk manager, or market student, this book **Forthcoming Books** Rose Arny, 1997 [Mastering Financial Calculations](#) Bob Steiner,
