

**2007
MATHCOUNTS STATE
COMPETITION**

SPRINT ROUND

1. In the figure, the largest circle has a radius of six meters. Five congruent smaller circles are placed as shown lined up in east-to-west and north-to-south orientations. We are asked to find the radius of one of the smaller circles.

The radius of the large circle is 6. Thus, the diameter of the large circle is $6 \times 2 = 12$. The diameter runs through the 3 congruent smaller circles lined up in the east-to-west orientation. This means that the diameter of each circle is

$\frac{12}{3} = 4$. The radius is just half that, or 2. **Ans.**

2. Two identical CDs cost a total of \$28. This means that one CD costs $\frac{1}{2} \times 28 = 14$. And 5 CDs must cost $5 \times 14 = 70$ **Ans.**

3. Alexandra played 15 games of Skee Ball for \$11.25. She earned either 2 tickets or 4 tickets for playing each game and after playing the 15 games had a total of 40 tickets. We are asked to find out how many games she played where she earned 4 tickets.
- Let x = the number of games she played where she got 4 tickets.
 Let y = the number of games she played where she got 2 tickets.
- $$\begin{aligned} x + y &= 15 && \text{Eq. 1} \\ 4x + 2y &= 40 && \text{Eq. 2} \\ 4x + 4y &= 60 && \text{Eq. 3 = Eq. 1} \cdot 4 \\ 2y &= 20 && \text{Eq. 3 - Eq. 2} \\ y &= 10 \\ x &= 15 - y = 15 - 10 = 5 \end{aligned}$$
- 5 Ans.**

4. In parallelogram PQRS, the measure of angle P is five times the measure of angle Q. A parallelogram has two sets of opposite parallel lines. The angles opposite each other are the same.

The sum of angle P and angle Q must be 180° . Let x = angle Q. Then, $5x$ = angle P.
 $5x + x = 180$
 $6x = 180$
 $x = 30$
 $5x = 150$
 Angle R = Angle P = 150 **Ans.**

5. Two right triangles have equal areas. The first triangle has a height of 5 cm and a corresponding base of 8 cm.

That means that its area is $\frac{1}{2} \times 5 \times 8 = 20$

The second triangle has a side of length 20. We know that its area is also 20 but we don't know its height. Let h = the height of the second triangle.

$$\begin{aligned} 20 &= \frac{1}{2} \times 20 \times h \\ 20 &= 10h \\ h &= 2 \end{aligned}$$

Ans.

6. In a class, 12 students are girls out of a total of 30 students. Therefore, $30 - 12 = 18$ students are boys. 6 more boys join the class for a new total of $18 + 6 = 24$ boys. The fraction of the class that is now boys is:

$$\frac{24}{30 + 6} = \frac{24}{36} = \frac{2}{3} \quad \text{Ans.}$$

7. The distance from the earth to the moon is approximately 2.4×10^5 miles. A satellite crosses the shortest path between the earth and the moon at a distance of 240 miles from the earth. We are asked to find the fraction of the distance from the earth to the moon that the satellite's distance from the earth is at this point.

Mathcounts National Sprint Round Problems Pdf Download Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Mathcounts National Sprint Round Problems Pdf Download PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Mathcounts National Sprint Round Problems Pdf Download PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Mathcounts National Sprint Round Problems Pdf Download free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Mathcounts National Sprint Round Problems Pdf Download Books

What is a Mathcounts National Sprint Round Problems Pdf Download PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Mathcounts National Sprint Round Problems Pdf Download PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Mathcounts National Sprint Round Problems Pdf Download PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Mathcounts National Sprint Round Problems Pdf Download PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mathcounts National Sprint Round Problems Pdf Download PDF?** Most PDF editing software allows you to add

password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
