"Thy Will Be Done" Jen Shepherd, 2025-09-18 Has your same sex attraction relationship and your covenant with Christ become a struggle between your heart and your head Have you found the Church to be of little help as she seems as confused as you are Whose truth do you seek in the world's ever changing social opinion In Thy Will Be Done author Jen Shepherd narrates her story of being Christian and gay telling about her search for answers and coming to terms with her reality In a time of shallow thinking and even more shallow understandings of what it means to be Christian her story reminds all of the Holy Spirit's work and power to call people to God in every generation and out of every setting Shepherd offers insight and perspective into a difficult and complicated topic She provides food for thought for anyone gay or straight Christian or not who's been trying to put a square peg in a round hole and wondering what the problem is what's missing and what you might do differently In Thy Will Be Done her willingness to pour out her questions her joys her battles and ultimately her surrender as she invites the reader to come alongside and struggle honestly will resonate with anyone who has ever had to wrestle with God and come away changed

The Ballot and the Bible Kaitlyn Schiess, 2023-08-22 Pursue a Biblical Basis for Your Political Engagement How do Bible passages written thousands of years ago apply to politics today What can we learn from America's history of using the Bible in politics How can we converse with people whose views differ from our own In The Ballot and the Bible Kaitlyn Schiess explores these questions and more She unpacks examples of how Americans have connected the Bible to politics in the past highlighting times it was applied well and times it was egregiously misused Schiess combines American political history and biblical interpretation to help readers faithfully read Scripture talk with others about it apply it to contemporary

political issues and to their lives A nuanced look at America's legacy of scriptural language Publishers Weekly starred review Christianity Today 2024 Book Award Finalist Politics and Public Life *Inexpressible* Michael Card, 2018-12-18 God's identity cannot be fully expressed in human words but Scripture uses one particular Hebrew word to describe God's character hesed Often translated as lovingkindness covenant faithfulness or steadfast love Michael Card unpacks the many dimensions of hesed exploring how it is used in the Old Testament to reveal God's character and how its fullness is ultimately embodied in the incarnation of Jesus

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

Matthew Warren Carter, 1968-02-01 For ten years the well received first edition of this introduction offered readers a way to look at scriptural texts that combines

historical narrative and contemporary interests Carter explores Matthew by approaching it from the perspective of the authorial audience by identifying with and reading along with the audience imagined by the author Now an updated second edition is available as part of a series focusing on each of the gospel writers as storyteller interpreter and evangelist This edition preserves the essential identity of the original material while adding new insights from Carter s more recent readings of Matthew s gospel in relation to the Roman Imperial world Four of the seventeen chapters have been significantly revised and most have had minor changes There are also new endnotes directing readers to Carter s more recent published work on Matthew Scholars and pastors will use the full bibliography and appendix on redaction and narrative approaches while lay readers will appreciate the clear and straightforward text **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12 **Kingdom Manifesto** Jason N. Yuh, 2021-08-16 Even a cursory read of the Gospel of Matthew makes clear that it is concerned with the identity of Jesus Christ These meditations attempt not to focus on tangential topics that relate to Jesus even though these are important Rather they seek to focus simply on who Jesus is Because 2020 exposed the fragility corruption and misery of humanity such a focus is not only welcome but sorely needed Humanity does not merely require self help books that provide practical steps for improvement or philosophical musings that explain away suffering Humanity is in dire need of something outside of itself a Savior The authors of these chapters are soberly aware of this truth and they resist the temptation to reduce Jesus to a miracle worker who provides temporary relief or a commendable example that is to be imitated Instead in their own distinctive ways they affirm the bold and ever urgent proclamation that Jesus is the exclusive Savior of all people Opening the Scriptures Bringing the Gospel of Matthew to Life George Martin, 2014-08-20 Ask and it will be given to you seek and you will find knock and the door will be opened to you Matthew 7:7 Asking seeking and knocking are three imperatives Jesus gave his disciples and us in order to grow fully in our Faith and be true disciples of Jesus Scripture reading and study is an important part of that path to discipleship and offers us opportunities to ask for clarity to seek the truths of the Bible to knock asking Christ to come into our hearts George Martin prolific writer on Scripture and author of Bringing the Gospel of Luke to Life and Bringing the Gospel of Mark to Life now brings Matthew s Gospel into sharp focus in a verse by verse commentary Martin gives readers the context of the first century meaning and what it means to us today Reflection questions help us to apply the biblical texts to our own lives This book is perfect for anyone who wants to learn more about the Gospel of Matthew as well as priests deacons catechetical leaders Bible study leaders Scripture teachers or seminarians Let George Martin bring the Gospel of Matthew to Life for you today The Message of Matthew Michael Green, 2020-04-23 The Gospel according to Matthew is perhaps the most important single document of the New Testament for in it we have the fullest and most systematic account of the birth life teaching death and resurrection of the founder of Christianity Jesus the Messiah Michael Green shows how this very Jewish Gospel portrays the power and purpose of Jesus life and work which was to bring light to all nations Matthew records Jesus

as Son of God Messiah Son of David Son of Man and supremely as God returning to Jerusalem as judge and redeemer The consequences of this steady focus are as relevant now as then We need Matthew's emphasis on the unity of God's revelation old and new its reaching on the life of discipleship and the meaning of the kingdom of heaven and its insights into the people of the messiah the end of the world and the universality of the Good News Matthew Alyce M. McKenzie,1998-10-01 In this Gospel Matthew tells the story of Jesus who is the presence of God and has come to call the faithful to a new level of righteousness He challenges his disciples to live each day as participants in God's kingdom be poor in spirit and pure in heart turn the other cheek and love one's enemies Through his teachings and healings Jesus breaks the bonds of evil and sin and frees each one for a life rich in celebration and service By his resurrection Jesus continues to be present even until the end of the age Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study The Humanity of Jesus in Matthew Matt Jones,2021-05-04 Matthew's portrait of Jesus communicates the importance of the human element of Jesus's existence While Mark's Jesus may be the most human Matthew was most interested in the human story of Jesus among the Gospel authors This narrative critical examination of Matthew's portrait prioritizes the human element of Jesus's story He purposely balances the human and transcendent so that he can reinforce the reader's belief in Jesus and hope that Jesus's life can be imitated **Identity Formation and the Gospel of Matthew** Tekalign Duguma Negewo,2024-03-13 Why does the author of the Gospel of Matthew introduce non Jewish characters into his narrative Tekalign Duguma Negewo answers this question on the assumption that the gospel had an identity forming function for his community Matthew 1-16 Stephen D. Eyre,Jacalyn Eyre,2012-09-28 What would it be like to be discipled by Jesus himself What would he teach you about relationships priorities wealth and his coming kingdom What would you learn from his actions Matthew's Gospel brings you face to face with Jesus as he calls teaches and prepares his disciples As you work through these eleven session LifeGuide Bible Study on Matthew you can become one of those chosen followers The Gospel of Matthew Matt Woodley,2011-09-13 In this second book in the Resonate series Matt Woodley takes you on a journey through the Gospel of Matthew considering the audacious idea of a God with us confronting us in the midst of all we've invested ourselves in and dedicated ourselves to and encouraging us with the promise that the God who made us has a better life in mind for us Character Studies in the Gospel of Matthew Matthew Ryan Hauge,Craig Evan Anderson,2024-02-08 This volume examines a multitude of characters in Matthew's gospel and provides an in depth look at the different approaches currently employed by scholars working with literary and reader oriented methods Beginning with an introduction on the properties of character and the several aspects involved in the creation of person the contributors provide a close reading of numerous characters and character types in the Gospel of Matthew Including Mary

King Herod John the Baptist Jesus the Preacher Jesus the Teacher God the Father the Roman Centurion Peter Women Gentiles Scribes and Pharisees and Romans Such close studies aid the understanding of different issues in Matthean characterization while also charting the development of hermeneutical vistas that have developed in contemporary scholarship resulting in a collection of exegetical character studies that are self consciously working from a literary narrative critical reader oriented or related methodology
