 Master s Thesis from the year 2020 in the subject Communications Multimedia Internet New Technologies grade 1 0 FH
 Vienna Kommunikation Marketing Sales Management language English abstract In the master s thesis the differences in the
 consumer behavior between Millennials and Best Agers regarding the use and acceptance of Interactive Voice Assistants for
 travel planning are therefore examined in more detail In order to answer the overall research question factors for the
 acceptance and use of Interactive Voice Assistants for travel planning were identified with the help of an established model
 in the field of acceptance research Based on these factors a questionnaire was designed and carried out among people of
 different ages to which Millennials and Best Agers can be assigned The survey mainly revealed differences in the Perceived
 Usefulness and Attitudes of Millennials and Best Agers towards the use of Interactive Voice Assistants for travel planning
 However since this innovative technology hardly seems to be accepted by these two target groups Destination Management
 Organizations need to develop an understanding of how Interactive Voice Assistants can continue to be used successfully
 taking into account their relevance for marketing communication and their rapid development This knowledge should be
 conveyed in the master s thesis Based on this understanding further measures for marketing communication of Destination
 Management Organizations could be set up **Marketing Research** V. Kumar,Robert P. Leone,David A. Aaker,George S.
