Reseña de "Marketing for Hospitality and Tourism" de Philip Kotler, John T. Bowen & James C. Makens

Elizabeth Robles, 2009 *Marketing Places* Philip Kotler, 2002-01-15 Today's headlines report cities going bankrupt states running large deficits and nations stuck in high debt and stagnation Philip Kotler Donald Haider and Irving Rein argue that thousands of places cities states and nations are in crisis and can no longer rely on national industrial policies such as federal matching funds as a promise of jobs and protection When trouble strikes places resort to various palliatives such as chasing grants from state or federal sources bidding for smokestack industries or building convention centers and exotic attractions The authors show instead that places must like any market driven business become attractive products by improving their industrial base and communicating their special qualities more effectively to their target markets From studies of cities and nations throughout the world Kotler Haider and Rein offer a systematic analysis of why so many places have fallen on hard times and make recommendations on what can be done to revitalize a place's economy They show how place wars battles for Japanese factories government projects Olympic Games baseball team franchises convention business and other economic prizes are often misguided and end in wasted money and effort The hidden key to vigorous economic development the authors argue is strategic marketing of places by rebuilding infrastructure creating a skilled labor force stimulating local business entrepreneurship and expansion developing strong public private partnerships identifying and attracting place compatible companies and industries creating distinctive local attractions building a service friendly culture and promoting these advantages effectively Strategic marketing of places requires a deep understanding of how place buyers tourists new residents factories corporate headquarters investors make their place decisions With this understanding place sellers economic development agencies tourist promotion agencies mayor's offices can take the necessary steps to compete aggressively for place buyers This straightforward guide for effectively marketing places will be the framework for economic development in the 1990s and beyond **Kotler On Marketing** Philip Kotler, 1999-09-29 Philip Kotler's name is synonymous with marketing His textbooks have sold more than 3 million copies in 20 languages and are read as the marketing gospel in 58 countries Now Kotler on Marketing offers his long awaited essential guide to marketing for managers freshly written based on his phenomenally successful worldwide lectures on marketing for the new millennium Through Kotler's profound insights you will quickly update your skills and knowledge of the new challenges and opportunities posed by hypercompetition globalization and the Internet Here you will discover the latest thinking concisely captured in eminently readable prose on such hot new fields as database marketing relationship marketing high tech marketing global marketing and marketing on the Internet Here too you will find Kotler's savvy advice which has so well served such corporate clients as AT T General Electric Ford IBM Michelin Merck DuPont and Bank of America Perhaps most important Kotler on Marketing can be read as a penetrating book length discourse on the 14 questions asked most frequently by managers during the 20 year history of Kotler's worldwide lectures You will gain a new understanding of such age old conundrums as how to select the right market segments or how to compete against lower price competitors You will find a wealth of cutting edge

strategies and tactics that can be applied immediately to such 21st century challenges as reducing the enormous cost of customer acquisition and keeping current customers loyal If your marketing strategy isn't working Kotler's treasury of revelations offers hundreds of ideas for revitalizing it Spend a few hours today with the world's best-known marketer and improve your marketing performance tomorrow *The Marketing Era* Kalman Applbäum, 2004-06-01 Marketing has situated itself as an indispensable tool in today's business world an unavoidable step in the process from production to consumption This book is the first of its kind to map out the organizing principles and cultural logic of marketing and trace the profession's ascent to global domination Applbäum argues that marketing can be seen as a particular set of cultural practices that surfaced in reaction to the affluence of Western society and not the answer to the call of inherent human needs and wants In order to understand globalization transnational corporations and the spread of consumer culture one must understand the logic of marketing Studyguide for Marketing for Hospitality and Tourism by Kotler, Philip, ISBN 9780135045596 Cram101 Textbook Reviews, Philip Kotler, James C.
