Selling to the Affluent Thomas J. Stanley, 2012-06-29 From the New York Times bestselling coauthor of The Millionaire Next Door No one better illuminates the who where and how of the affluent market J Arthur Urciuoli former chairman at Merrill Lynch In the bestselling classic The Millionaire Next Door Dr Thomas J Stanley showed his readers where to look for the wealthy In Selling to the Affluent he shows us how to persuade them This book provides an insightful roadmap of the motivations and purchasing patterns of the affluent and delivers a strategy for salespeople to leverage that information to the best advantage This book outlines all phases of the sales process from approaching wealthy prospects to pinpointing their wants and needs frequently different from those of less affluent markets and selling both tangible and intangible products It profiles several key demographics within the wealthy subset including business owners men and women and the retired It's the most detailed and inclusive manual on the market for selling to the wealthy Dr Stanley's strategies consider the real needs of the high income professionals needs that go beyond any product or service These needs are psychological and revolve around the recognition

of the individual's extraordinary level of achievements. He provides some terrific insights as to how to solicit and maintain business by unconventional but highly effective means. Carolyn J. Cole, chairman and founder of The Cole Group and The Institute of Economics and Finance, *Selling to the Affluent* is well written, relevant, and exciting. It presents an important complementary extension to *Marketing to the Affluent*. William D. Danko, PhD, coauthor of *The Millionaire Next Door* **The Art of Selling to the Affluent** Matt Oechsli, 2014-01-10. Attract and retain affluent customers and clients. Much has changed since the original *The Art of Selling to the Affluent* was published. The financial crisis has affected the affluent as well as the less affluent. This book brings you up to date with today's affluent and helps every salesperson understand what adjustments need to be made in order to successfully attract, service, and retain lifelong affluent customers and clients. Completely updated and revised, it is based on The Oechsli Institute's latest 2013 comprehensive research. Explains how the financial crisis elevated the level of anxiety and how this has affected major purchase decisions. Offers step-by-step guidance on how to navigate the process of overcoming social self-consciousness during the sales process. Author Matt Oechsli is one of the leading authorities regarding marketing, selling, servicing, and developing loyalty with affluent clients and one of the most sought-after speakers in the financial services industry. *The Art of Selling to the Affluent*, 2nd Edition, offers a detailed landscape of today's affluent. Put yourself ahead of the competition by knowing how the Great Recession has affected purchasing behavior and where the opportunities are moving forward. **The Affluent Consumer** Ronald D. Michman, Edward M. Mazze, 2006-09-30. By any measure, the affluent sector is growing exponentially and is far more diverse in terms of ethnicity, education, location, and professional background than any time in the past. This market represents lucrative opportunities for companies that understand how these customers think, act, and make purchasing decisions. Applying primary research, including demographic and economic data, and expertise developed from decades of studying teaching and consulting in marketing and consumer behavior, Ronald Michman and Edward Mazze present a comprehensive approach to analyzing the affluent consumer and creating, promoting, and selling innovative products and services to them. Illustrating their principles through dozens of examples, including Armani, Mercedes-Benz, Brooks Brothers, Neiman Marcus, Merrill Lynch, Tiffany, and even discounters such as Target and Wal-Mart, the authors deconstruct how a complex market segment works. Dispelling popular myths and misconceptions about the composition and behavior of this segment, they provide not only a practical guide for marketers and students of marketing but a fascinating glimpse into a culture driven by materialism, status, and aspirations to luxury. By any measure, the affluent sector is growing exponentially and is far more diverse in terms of ethnicity, education, location, and professional background than at any time in the past. In 2004, there were 8.2 million households in the United States with net worth over 1 million, excluding primary residence. Meanwhile, between 1995 and 2001, the number of families filing tax returns for income exceeding 200,000 doubled. This market represents lucrative opportunities for companies that understand how these consumers think, act, and make purchasing decisions.
