Matchmakers The New Economics Of Multisided Platforms Epub:

Tax Reporting by Digital Platforms under DAC7 Juan Manuel Vazquez, 2025-08-18 In early 2021 the European Union EU introduced a standardized tax reporting requirement for digital platforms through a Council Directive known as DAC7 The rules introduced by this Directive require third party operators of digital platforms to systematically collect verify store and report specific personal and transactional data about platform sellers to the tax authorities of the Member States This data is then automatically exchanged between tax authorities While DAC7 rules for digital platforms pursue a worthy goal e g combating tax evasion which at first glance would justify a public intrusion into the private sphere of both platform sellers and third party platform operators a key question that arises is whether such intrusion does not exceed what is necessary in the public interest This essentially concerns a matter of means and ends or in other words of proportionality This book provides a comprehensive and in depth assessment of the proportionality of DAC7 rules for digital platforms It examines whether these rules are aligned with the general EU law principle of proportionality from both a policy and legal perspective and when this is not the case it identifies potential improvements that could be made to ensure such alignment Issues and topics covered by the book include the following an overview of the platform economy its EU regulatory landscape and its tax compliance implications an explanation of the tax information reporting rules for digital platforms under DAC7 and the OECD Model Rules with practical examples an analysis of the EU law principle of proportionality and its requirements both at the policy and legal levels an assessment of DAC7 s consistency with the proportionality principle and recommendations for improving DAC7 rules for digital platforms In its comprehensive systematic and in depth proportionality assessment of DAC7 rules for digital platforms this book will help policymakers and citizens navigate these rules their practical application and their policy and legal implications

SUMMARY Edition Shortcut (author), 1901 *SUMMARY - Matchmakers: The New Economics Of Multisided Platforms* By David S. Evans And Richard Schmalensee Shortcut Edition, 2021-06-16 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes As you read this summary you will learn how multi faceted platforms create value by overturning the traditional economy You will also learn that multi faceted platforms work even though they run counter to the recommendations of economists their value lies in effectively solving everyday problems these platforms must attract different types of users to be sustainable the main problem with platforms is not so much competition as how to find the functionality that will attract users balanced prices are fundamental to their sustainability these platforms are transforming traditional commerce In recent years economists have been questioning a new phenomenon multifaceted platforms BlaBlaCar Skype Airbnb and Uber are omnipresent and even represent a colossal weight in today s economy However their operation seems to run counter to the laws of the traditional economy free of charge for some users little or no concrete production With this summary the authors dissect this new type of economic model which has become essential today Buy now the summary of this book for the modest price of a cup of

coffee Smart Business - Alibabas Strategie-Geheimnis Ming Zeng, 2019-02-13 Worin besteht das Geheimnis hinter dem märchenhaften Aufstieg des chinesischen Vorzeigeunternehmens Alibaba? Ist es Jack Ma sein schillernder Gründer oder etwa ein besonderer Algorithmus? Ming Zeng verrät uns. Es ist die Strategie des Smart Business, das auf maschinellem Lernen, Algorithmen und künstlicher Intelligenz beruht. Ming Zeng legt dar, wie Alibaba neue Technologien dazu verwendet, das Entscheidungsverhalten zu verbessern und konkrete Handlungsschritte daraus abzuleiten. Er präsentiert ein neues Set von Tools, das das Unternehmen zur Entwicklung und Umsetzung einer smarten Strategie verhilft. Das Geheimnis von Alibaba könnte bald auch ihr Erfolgsgarant werden.

The New Economics of Multi-Sided Platforms David S. Evans, Richard Schmalensee, 2016 The new economics of multi-sided platforms involves a number of concepts that are familiar to economists as well as some new ones. This glossary, which is drawn from our book *Matchmakers: The New Economics of Multi-Sided Platforms*, is an attempt to put together the main concepts and to provide short definitions for them. We believe this common vocabulary, which we are sure others will refine and evolve, will be helpful for research and the exchange of ideas going forward and may serve as a quick primer for those who are new to the field, including students.

Reviewing **Matchmakers The New Economics Of Multisided Platforms Epub**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
