McConnell Brue Economics 15th Edition Chapter Notes:

Reforming Economics and Economics Teaching in the Transition Economies Michael Watts, William B. Walstad, 2002-01-01 The volume is of greatest interest to those pursuing issues of the implementation of economics education and its impact at an elementary level on economic understanding and attitudes Through generally careful statistical analysis it shows what can be done even in a most difficult environment as well as the constraints on change imposed by Soviet legacies It is a valuable addition to the literature on economics pedagogy Richard E Ericson Slavic Review This comprehensive and impressive volume presents the first book length multi country investigation of reform of economic education in transition economies Authors from the West and from transition economies describe the major changes in economics content and instruction that occurred in schools and universities throughout nations in Eastern and Central Europe and the former Soviet Union from 1989 to 2000 **Harvard Business School Core Collection** Baker Library, 1999

Social Insurance and Economic Security George E. Rejda, 2015-07-17 This classic social insurance work has been updated to cover a decade of policy developments and the impact of the recent economic crisis The book includes in depth discussion of all major programs to reduce economic insecurity in the United States including Social Security Medicare workers compensation unemployment compensation and temporary disability insurance The principles characteristics and policy issues associated with social insurance and public assistance programs are discussed in detail The book examines each major cause of economic insecurity and analyzes the appropriate social insurance program for dealing with the problem
