 but of government authorities The evidence revealed here should once and for all expose this long standing lie Are alien
 beings capable of abducting humans and implanting objects into our bodies that we do not know about The evidence is the
 implants themselves tiny metallic objects of unusual composition surgically removed from people who have claimed to have
 histories of alien abduction Presented here is the most advanced research on the reality of alien implants coming directly
 from eminent scientists The author an actual doctor had originally thought such implants were nothing more than a joke until
 he found the evidence Since doing so Roger Leir has been the only person to share these other worldly objects with both
 scientists and the general public Thousands of suspected pieces of alien craft soil samples and trace landing evidence have
 been tested but none have revealed scientific proof indicating off world origin For the first time revealed in this book
 scientists have made legitimate off world claims and proven it Also covers worldwide sightings what they mean and the latest
 findings surrounding the amazing 1996 Varginha Brazil crash case where the author has traveled to investigate first hand
 Includes a Foreword by Apollo 14 astronaut Edgar Mitchell who describes what it s like to set foot on another celestial body
 and shares opinions on intelligent life in the universe This book takes the next step in the study of other life forms that may
 be visiting our earth and leaving evidence From the Foreword Edgar Mitchell says In spite of denials and serious efforts by
 many governments to deny the evidence has continued to mount for alien presence and activities The learned and intelligent
 citizenry is becoming convinced that indeed our Earth is being visited by an advanced technological species Concerning Dr
 Leir s discovery of implants in humans the TV documentary Unsealed Alien Files stated With multiple labs confirming the
 objects are extraterrestrial the only question that remains is What s the ultimate purpose of these implants This
 groundbreaking book is a must for those seeking the answers **Electromagnetic Theory and Antennas** Edward Conrad
