Kreider,1997-06 In this fourth Biblical Foundation book we look at the final three of the six foundational doctrines of the Christian faith found in Hebrews 6 1 2 the laying on of hands the resurrection of the dead and eternal judgment Therefore leaving the discussion of the elementary principles of Christ let us go on to perfection not laying again the foundation of repentance from dead works and of faith toward God of the doctrine of baptisms of laying on of hands of resurrection of the dead and of eternal judgment NKJ The foundational doctrine of the laying on of hands is an act in which one person imparts or conveys blessing healing and or authority to another for a specific spiritual purpose We will learn that the laying on of hands has a vital connection with many aspects of our Christian lives The hope of the resurrection is another biblical foundation that is so important to a Christian s faith because those who believe in Christ will share in His resurrection and have eternal life Another foundation stone that is linked to the resurrection of the dead is eternal judgment Every man and woman who has ever lived will be judged by God for all of eternity The reality of an eternal judgment should cause all believers to hate sin and diligently seek the lost to tell them of God s wonderful plan for mankind Use this book and the other 11 Biblical Foundation books to lay a solid foundation in your life or if you are already a mature Christian these books are great tools to assist you in mentoring others Each book can be used as a daily devotional and includes teaching outlines and discussion questions for each chapter Also available in Spanish and French Christian Worship: Foundations The Hymnal Committee for Christian Worship,Northwestern Publishing House,2023-07-01 How do you worship Christians in many different churches worship God in many different ways Why do you worship the way you do Pastors and worship leaders must ask and answer questions about worship as they prepare to lead their congregations and share the means of grace in Word and sacrament with God s people Christian Worship Foundations offers a helpful and practical commentary on various parts of the church service that will inform decisions for those leading worship While written with pastors in mind this resource is valuable for all Christians interested in the fundamentals of worship The book explores a wide variety of worship topics including the history of worship in the Christian church at large the church year various rites and services various roles in worship art and music choices the culture of worship and outreach This book is meant to help you grow in your understanding of Christian worship principles and practices Encountering Theology of Mission (Encountering Mission) Craig Ott,Stephen J. Not Called Richard Kronk, 2022-02-04 So how do I know what I am supposed to do with my life I hear from my pastor and the things I read that God calls people to be pastors and missionaries Some people even talk about being called to be a doctor or a teacher I think I remember my mom saying she felt called to be a mom But what am I supposed to do with my life Has God actually called me to be a high school science teacher Should I be looking for something else How will I know if and when he does call me or is that just for people going into ministry after all *Not Called* draws on church history the evolution of Western societal norms and biblical revelation to answer these and other related questions in an effort to determine if calling as it is understood today retains the meaning it was intended to carry from the beginning In addition to a biblical and historical assessment of the evolution of the concept *Not Called* raises both cultural and practical challenges to the contemporary meaning and use of the concept which all but excludes Christians from a non Western first world cultural context
