Capitalist Nigger :

Capitalist Nigger Chika Onyeani, 2012-03-27 Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race as naturally endowed as any other is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding, and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the devil-may-care attitude and the killer instinct of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the Spider Web Doctrine: discipline, self-reliance, ruthlessness to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor, and former diplomat.

The Incarceration of the Mind Mgcini Mlangeni, 2010-09-08 In my career journey I have engaged myself on diverse placements. One of the major personal tasks I have embarked myself on was when I joined the Roman Catholic Church as an aspiring future priest, and this formation process lasted a period of four years studying philosophy, sociology, anthropology, psychology, politics, and theology, etc. I was awarded with a diploma in Philosophy and an Advanced English Certificate by UNISA. Complimenting my training as a future priest was also involved on a variety of projects and events with the diversified communities of Pretoria, Johannesburg, Durban, and Pinetown simultaneously. This passion to serve as an aspirant priest and to make a positive change within my circle of influence and beyond led to the formation of my non-profit organization called Young Generational Thinkers. In principle, one of the objectives, goals, and mission of this organization going forward is to create sustainable poverty alleviation projects and to make provision of bursaries to the illiterate and those who are from the disadvantaged backgrounds. Create an environment of safety and healthy living by formulating support groups, small, medium, and micro enterprises, reintroduce strong farming teams, and formulating self-sufficient entrepreneurial businesses, and thus create a space for job opportunities and well-functioning and self-sufficient community development projects. It is an undeniable fact that without education and necessary skills of entrepreneurship, the global advocacy issues facing the youth in areas of crime, drug abuse, unemployment, poverty, shortages of necessary skills, and fatal diseases would remain the struggle for survival for the entire international community. With major emphasis on education, entrepreneurship, and skills development by the individuals, in particular the youth, fewer and fewer cases of

delinquency would be reported Mentorship programmes in place and good governance of all stakeholders involved would lead to the success of the international community In my line of duty I have worked with a variety of public and private sector structures like the South African Department of Sports and Recreation eThekweni Municipality Safer City Programme Department of Community Participation Department of Skills Development Youth Commission South African Red Cross Durban Chamber of Commerce South African Police Service and Non profit organizations like Right to Care Love Life Future leaders National Youth Development agency just to mention a few I was also involved on numerous national and international level on development and sustainable projects and events With this in mind I am optimistic that this manuscript would be embraced beyond measure as I am a born philanthropist who is less motivated by money and prestige To the contrary I am motivated by making a difference and making this world a better place for our generations generation to come **Elon**

The Boer Invasion of The Zulu Kingdom 1837-1840 John Laband,2023-02-16 The battle of Blood River or Ncome on 16 December 1838 has long been regarded as a critical moment in the history of South Africa It is the culminating victory by the land hungry Boers who had migrated out of the British ruled Cape and invaded the Zulu kingdom in 1837 Many Afrikaners long acclaimed their triumph as the God given justification for their subsequent dominion over Africans By contrast Africans celebrate the war with pride for its significance in their valiant struggle against colonial aggression In this account John Laband deals as even handedly as possible with the warring sides in the conflict In contrasting their military systems he explains both victory and defeat in the many battles that marked the war Crucially he also presents the less familiar Zulu perspective explaining the political motivation strategic military objectives and fissures in the royal house This is the first book in English that engages with the war between the Boers and the Zulu in its entire context or takes the Zulu evidence into proper account *Financial Mail* ,2005-10 *African Media, African Children* Norma Odom Pecora,Enyonam Osei-Hwere,Ulla Carlsson,2008 African Media African Children is the title of the tenth Yearbook of the International Clearinghouse on Children Youth and Media Over the years we have focused attention on a wide range of topics but this is the first Yearbook with a geographical focus and a vast continent at that A focus on Africa seems both timely and important When issues about children and media are discussed all too often the frame of reference is the media culture of the Western world There is an urgent need for the agenda to become open to non Western thoughts and intercultural approaches to a much higher degree than is the case at present The essays in this volume reflect a wide range of issues and concerns related to children s media culture in Africa For example several address the role of entertainment television in Addis Abba Ghana

South Africa Kenya and Zambia and in the lives of Muslim children Other essays introduce us to children centered media from Ghana South Africa and Zimbabwe and the innovative programs of PLAN International In addition to entertainment media and children centered media media education and digital media literacy are also discussed Publisher website **The Reader's Digest** DeWitt Wallace,Lila Acheson Wallace,1977 **The African Book Publishing Record** ,2007
