Innocence Lost Carlton Stowers,2025-10-16 Undercover officer George Raffield s job was to pose as a student in the small town of Midlothian Texas and infiltrate the high school drug ring When Raffield s cover became suspect word spread through a small circle of friends that the young officer would pay with his life No one stopped it On a rainy fall evening in 1987 Raffield was lured to an isolated field Three bullets were fired one unloaded into his skull The baby faced killer Greg

Knighen stole eighteen dollars from Raffield's wallet divided it among his two young accomplices and calmly said it's done. With chilling detail Carlton Stowers illuminates a dark corner of America's heartland and the children who hide there. What he found was an alienated subculture of drug abuse, the occult, and an unfathomable teenage rage that exploded at point blank range on a shocking night of lost innocence. *Notes From Texas* W. C. Jameson, 2013-05-31 From the Guadalupe Mountains of the Chihuahuan Desert to the Hill Country to the Red River, the vast geographic landscape of Texas has afforded the cultural depth and diversity to inspire its writers. The richness of Texas folklore, history, and traditions has left an unmistakable mark on the art of the region. Both native and transplant Texas writers alike have been keenly shaped by the distinctive aroma of fresh corn tortillas, tales of Mescalero Apaches and Tejano and ranchera music. Jameson has compiled an assorted collection of fourteen essays by some of the most prominent Texas writers through which he hopes to explore the following questions: How did they accomplish their goals? Why did they choose the writing life? What influence did the history, lore, and culture of Texas play in their creative process? While readily citing the decidedly Texas flavor in his own fiction, Jameson seeks to uncover the inspirations in other writers from both the expansive and rugged Texas terrain as well as the varied people therein. The fourteen writers who comprise *Notes from Texas* range from the captivating and often humorous essayist Larry L. King to the beloved historical novelist Elmer Kelton. Other contributors include James Ward Lee, known for his expertise in Texas cuisine and culture, and poet and songwriter Red Steagall. This collection bestows each with a chance to express what they wished to share about their art and their life as a Texas writer. *Careless Whispers* Carlton Stowers, 1990-09 True story of a murder investigation in Waco, Texas, which resulted in the arrest and indictment of four men.

Broken Vows Eric Francis, 2025-06-25 Rabbi Fred J. Neulander was the respected head of one of the largest synagogues in New Jersey. Yet underneath his hallowed image seethed an unfaithful husband who spoke of desire to see his wife killed. So when Carol Neulander was found bludgeoned to death in the living room of the couple's Cherry Hill home, authorities immediately suspected that the beloved spiritual leader was involved. But without any evidence, the case began to stagnate. The complex web of secrets, lies, and murder was only just beginning. Six years after the killing, private investigator Leonard Jenoff came forward with the shocking confession that blew the case wide open. Rabbi Neulander hired Jenoff and Paul Daniels to kill his wife. Incredibly, Jenoff thought he had been hired to kill an anti-Jewish terrorist. Daniels blamed schizophrenia for his involvement. Neulander insisted he was innocent, setting the stage for a sensational trial that would leave a wealthy community shattered and expose a much darker side to this charming man of God. *Innocence Lost* Carlton Stowers, 2004-05-16 Recounts the murder of a police officer in a small town in Texas and tells of the investigation that turned up evidence that the town's own children committed the crime.

A Shot of Jack Daniels Jack Kyle Daniels, 2009 Under any description of the start of my life, the odds were against me.
