Rebellious Feminism E. Bartlett, 2004-01-16 In what might seem an unusual pairing Bartlett brings together the insights of Albert Camus and feminist thought and in doing so sheds new light on both Looking through a Camusian lens Bartlett reveals a rebellious feminism that simultaneously refuses oppression and affirms human dignity in solidarity with concrete diverse others and the earth giving us new insights into this life affirming ethic *Murderous Consent* Marc Crépon, 2019-05-07 Winner 2002 French Translation Prize for Nonfiction *Murderous Consent* details our implication in violence we do not directly inflict but in which we are structurally complicit famines civil wars political repression in far away places and war as it is classically understood Marc Crépon insists on a bond between ethics and politics and attributes violence to our treatment of the two as separate spheres We repeatedly resist the call to responsibility as expressed by the appeal by peoples across the world for the care and attention that their vulnerability enjoins But Crépon argues that this resistance is not ineluctable and the book searches for ways that enable us to mitigate it through rebellion kindness irony critique and shame In the process he engages with a range of writers from Camus Sartre and Freud to Stefan Zweig and Karl Kraus to Kenzaburo Oe Emmanuel Levinas and Judith Butler The resulting exchange between philosophy and literature enables Crépon to delineate the contours of a possible impossible ethicosmopolitics an ethicosmopolitics to come Pushing against the limits of liberal rationalism Crépon calls for a more radical understanding of interpersonal responsibility Not just a work of philosophy but an engagement with life as it is lived *Murderous Consent* works to redefine our global obligations articulating anew what humanitarianism demands and what an ethically grounded political resistance might mean
