

Cambridge English First

Cambridge English: First (FCE) Writing Part 1

Teacher's notes

Aims of the lesson	to familiarise students with Part 1 of the Writing paper and give them practice at planning an essay
Time needed	50 minutes
Materials required	• worksheet 1 • sample Part 1 question

Procedure

1. As a warmer, write on the board:

Environmental problems	Solutions

and elicit some environmental problems and possible solutions to these problems (for example: problem = too many cars; solution = provide better public transport).

2. Tell students that they're going to look at the Part 1 task from the *Cambridge English: First (FCE)* writing paper. Give out worksheet one and let students work in pairs to read through the questions in Exercise 1 – they can have a guess at the answers if they like as this will show what they already know about the test.
3. Give out the sample task. Students continue to work in pairs to complete the exercise. Go through the answers.
4. Focus on the fact that students have to write about the two points in the question and they then need to add their own point. Elicit how students could structure their essays. There are different ways of structuring an essay, but one way that works well for this type of question is:

Paragraph 1	introduction
Paragraph 2	point one – problem + solution
Paragraph 3	point two – problem + solution
Paragraph 4	point three – problem + solution
Paragraph 5	conclusion
