Can Schools Save Indigenous Languages? N. Hornberger, 2008-04-01 This volume offers a close look at four cases of indigenous language revitalization Maori in Aotearoa New Zealand Saami in Scandinavia H h in Mexico and Quechua and other indigenous languages in Latin America Essays by experts from each case are in turn discussed in international perspective by four counterpart experts **Discourse and Struggle in Minority Language Policy Formation** J.

Adrey, 2009-02-12 The author presents a new approach to the study of language policy by focusing on language policy formation and implementation as a dynamic conflict laden process involving the interaction of various actors with different motivations and uneven bargaining powers rather than as a product examinable post hoc from existing language legislation

Minority Languages in the Linguistic Landscape D. Gorter, H. F. Marten, L. Van Mensel, 2011-12-13 Providing an innovative approach to the written displays of minority languages in public space this volume explores minority language situations through the lens of linguistic landscape research Based on very tangible data it explores the same old issues of language contact and language conflict in new ways **Minority Languages, Education and Communities in China** L.

Tsung, 2015-12-11 The book outlines the evolution and role of minority languages locally and nationally it investigates current educational language policies in minority areas and it assesses the social and economic outcomes of language change for communities in contemporary China Maintaining Minority Languages in Transnational Contexts A. Pauwels, J. Winter, J.

Lo Bianco, 2007-04-17 Deals with challenges to the maintenance of minority or community languages in this era of globalization and increasing transnational movements of people The contributors experts in language policy language maintenance and multilingualism offer complementary perspectives from Australia and Europe on the maintenance of linguistic diversity *Linguistic Policies and the Survival of Regional Languages in France and Britain* A. Judge, 2007-02-07

It was traditionally assumed that a single official language was necessary for the wellbeing of the state particularly in France and Britain This assumption is now questioned and regional languages are making in some cases an impressive comeback This book analyses a range of languages development decline and efforts at regeneration Promising Practices in

Indigenous Teacher Education Paul Whitinui, Carmen Rodriguez de France, Onowa McIvor, 2017-10-28 This book provides a comprehensive overview of navigating the on going systemic challenges hardships and problems facing many indigenous teacher education programs today helping to foster a commitment to developing quality indigenous teacher education programs that are sustainable distinctive and excellent However despite a growing cadre of indigenous peoples working in teacher education there is still a noticeable gap between the uptake of what is being taught in conventional teacher education programs and how this translates to what we see student teachers doing in the classroom The often tricky and complex nature of indigenous teacher education programming also means that there are multiple realities approaches and

pathways that require greater communication collaboration and cooperation The very nature of this complexity the book suggests requires a strength based and future focused approach built on trust integrity courage and respect for indigeneity as well as an understanding of what it means to be indigenous The examples and experiences presented identify a number of promising practices that work well in current indigenous teacher education programs and beyond By promoting a greater appreciation for the inclusion of culturally relevant practices in teacher education the book aims to breathe new life into the hopes dreams and aspirations of indigenous teacher education programs moving forward
