Matthews, 2025-11-09 For thirty five years Laing Z Matthews sat inside Canada s courtrooms not as a lawyer or judge but as an interpreter witness and eventually litigant He translated for the voiceless observed the rituals of justice and uncovered a hard truth behind the robes in Canada the poor do not receive justice they are processed by it Justice for Sale is a landmark expos of class based discrimination in Canada s legal system a work of lived authority constitutional analysis and moral clarity Through first hand experience legal history and rigorous reasoning Matthews reveals how Canadian courts routinely

betray the Charter's promise of equality before and under the law The Architecture of Injustice From unaffordable counsel and gutted legal aid programs to punitive cost orders and procedural traps the system ensures that the poor lose long before judgment day A single mother in family court a worker dismissed without cause a refugee facing deportation all navigate a structure built not for truth but for those who can pay to reach it The Structure of the Book Part I The Myth of Blind Justice Traces how colonial law professional elitism and economic privilege entrenched systemic bias that endures to this day Part II The Machinery of Inequality Exposes how legal aid failures cost sanctions and procedural barriers systematically crush the poor and self represented Part III The Constitutional Betrayal Argues that poverty must be recognized as a protected ground under Section 15 of the Charter reframing inequality as a constitutional not administrative failure Part IV Toward a Justice Without Wealth Offers a blueprint for reform inspired by international models grounded in a single radical idea access to justice is not charity it is citizenship A Voice from Inside the System Across every page Matthews writes with the precision of an insider and the moral force of a reformer His courtroom scenes are urgent and human exposing the quiet violence of form over fairness polish over truth His analysis bridges law politics and conscience turning outrage into argument and observation into remedy This book does not ask for pity It demands accountability from the judiciary the legislature and the nation itself It argues that democracy does not die when the powerful break the law but when the powerless cannot use it A Call for Renewal Justice for Sale is both indictment and roadmap a call for constitutional reform professional humility and moral courage It speaks to every Canadian who has ever stood alone before the bench and to everyone who still believes the law should protect the powerless not serve the powerful A modern classic of legal conscience and civic reform essential reading for citizens policymakers and anyone who still believes that justice must mean something real **Canadian**
