[Top 10] Candlestick Patterns - Technical Analysis The Financial Edits, 2023-04-01 Top 10 Candlestick Patterns Technical Analysis

The Candlestick Chart Analysis Trading Guide O A Poz, Bible goes through dozens of different chart patterns and teaches traders what to look for, how to analyze them, and how to place profitable trades using these patterns. The book consists of four main parts which are Trend Line Patterns, Multi Candle Patterns, Single Candle Patterns, and Useful Indicators. The easy to read format and explanations will allow traders to become proficient in reading price charts and be able to tell where price action is going next at a moment's notice. This book is a must read for those who wish to understand candlestick patterns and the underlying principles behind the patterns which allow for profitable trades. Towards the end we discuss useful indicators that readers can add to their own trading toolbox. The indicators covered pair extremely well with candlestick technical analysis strategies. The patterns covered in this book include Japanese Candlestick patterns, common patterns such as head and shoulders, hammer, candles, the 5 different types of Doji, triangles, channels, pennants, and flags, engulfing candles, Belt Holds, and many other easy to use but powerful setups. We also discuss much rarer and lesser known candlestick patterns which can serve as extremely powerful trade setups such as Tasuki Gaps, Star patterns, and many more. This book is a must read for those who wish to compete against professional traders and take their skills to the next level.

Candlestick Charts Clive Lambert, 2009-01-30 Clive Lambert is one of the UK's leading experts in the use and application of Japanese candlestick chart analysis. I have known him for many years and have learnt to greatly respect his depth of knowledge and the objectiveness it brings to his market strategies. Adam Sorab, Chairman, Society of Technical Analysts, STA. The aim of this book is to introduce candlestick analysis to anyone from an absolute beginner to an experienced market professional. The text is written to be simple enough for someone new to the topic but should not exclude those with more experience. The author's aim is to change the simple viewing of a candlestick chart into a search for the answer to the perennial question: Who's controlling the market, the Bulls or the Bears? Candlesticks are a fantastic way of getting a clear idea of market direction and any changes that may be taking place in price trends. In this exciting new book, Clive Lambert walks you through what candlesticks are, the major patterns, and importantly, the psychology behind them, using straightforward language that will appeal to all levels of ability. Having outlined the key patterns and described the real life application of the techniques, he then ends the book with his 10 golden rules for trading with candlesticks. This book is a no

nonsense guide to the methodology and practical usage of this ancient Japanese charting technique and essential reading for any trader broker or market operative regardless of their level of experience or the markets they are involved in
