gives me a gift permission to kidnap and keep the woman I've wanted for years Ever since we were teenagers I've denied my desire for Sofia Despite her father's involvement in running our cocaine empire Caesar Hernandez has carefully sheltered her from the brutal realities of our world She's always been far too innocent and pure for me to drag her out of her charmed life and into my depravities But Caesar chose to betray my ruthless boss He'll have to prove his loyalty once again if he doesn't want any harm to come to his beloved daughter I have her now and he's well aware of my darker tendencies I tried to save her from this but I can't fight my savage nature when Sofia is in my home and under my command I'll do whatever it takes to keep my pretty hostage If anyone tries to steal her from me I'll start a war to protect my most precious possession Sofia is mine and I'll never let her go
