

A woman with dark hair, seen from behind, stands in a lush green field. She is holding a long, thin pole that supports a large, light pink umbrella. The background is filled with tall grass and dense green foliage, creating a sense of being in a forest or a wild meadow. The overall mood is peaceful and contemplative.

Seasons Of Life You Can Walk Through Your Pain:

Seasons of Life L. J. Helton, 2010-06 Sarah Evans is just ten years old when she whispers the words that change her life forever God if you are really there please help me leave this place I promise to always follow you God answers her prayer and she realizes her life will never be the same Sarah's bravery and extraordinary inner strength allow her to stand up to her abusive situation Sarah refuses to ever go home again But her journey is not easy Painfully she must leave her three siblings behind as she navigates eight years of living in a series of foster homes until she turns eighteen and is finally free Seasons of Life narrates Sarah's life story from the moment she utters her prayer to her life today where she finally finds peace She marries and raises two children She goes on to achieve her lifelong dream of becoming a flight attendant In doing so she finds a new life filled with fun laughter and joy But most importantly Sarah's story tells us that through God's love we are never alone

Naked and Unafraid Kevin Gerald, 2020-02-04 Celebrate a vulnerable and open life by overcoming your fear of criticism and start living the life God intended Fear of criticism has turned into a massive epidemic harder than ever to overcome It prevents people from speaking up it's why most people struggle to make decisions it's why we're uncomfortable with vulnerability and openness and it's why so many are unable to meet their full potential But it doesn't have to be that way Through the Bible story of King David dancing naked in the streets while his distant guarded and critical wife watches from a window Naked and Unafraid provides a visual contrast of these two characters that sheds light on the way we all approach life and explains how the fear of criticism impacts our lives much more than we realize or are willing to admit God didn't create us to live guarded isolated lives Our greatest fulfillment isn't found in the window It's found in the street Everything in our lives including our relationships our work our emotional and spiritual health gets better in a place of openness and vulnerability But that doesn't mean it's easy because it's not Vulnerability is risky Exposure is scary Naked and Unafraid pushes readers to Find the courage to not let criticism control or determine who they are and what they do Stop living in the shallow end of relationships and experience the rewards that true vulnerability can bring Abandon smallness and live the life they were born to live Discover how the fear of criticism diminishes in direct proportion to understanding it Reject the limitations and inhibitions of window living so they can experience the freedom and rewards of street life Confront their own worst critic that counts them out of what God has included them in God will help you move away from window watching and toward street dancing Know who He says you are and live in that freedom
