V. Gatewood,2007-10 When Contemporary Asian America was first published it exposed its readers to developments within the discipline from its inception as part of the ethnic consciousness movement of the 1960s to the more contemporary theoretical and practical issues facing Asian America at the century s end This new edition features a number of fresh entries and updated material It covers such topics as Asian American activism immigration community formation family relations gender roles sexuality identity struggle for social justice interethnic conflict coalition and political participation As in the first edition Contemporary Asian America provides an expansive introduction to the

central readings in Asian American Studies presenting a grounded theoretical orientation to the discipline and framing key historical cultural economic and social themes with a social science focus This critical text offers a broad overview of Asian American studies and the current state of Asian America Critical Race Feminism, Second Edition Adrienne Katherine Wing, 2003-10 A classic anthology of writings on the legal status and lived experiences of women of color Now in its second edition the acclaimed anthology Critical Race Feminism presents over 40 readings on the legal status of women of color by leading authors and scholars such as Anita Hill Lani Guinier Kathleen Neal Cleaver and Angela Harris The collection gives voice to Black Latina Asian Native American and Arab women and explores both straight and queer perspectives Both a forceful statement and a platform for change the anthology addresses an ambitious range of subjects from life in the workplace and motherhood to sexual harassment domestic violence and other criminal justice issues Extending beyond national borders the volume tackles global issues such as the rights of Muslim women immigration multiculturalism and global capitalism Revealing how the historical experiences and contemporary realities of women of color are profoundly influenced by a legacy of racism and sexism that is neither linear nor logical Critical Race Feminism serves up a panoramic perspective illustrating how women of color can find strength in the face of oppression Federal Communications Commission Reports, V. 1-45, 1934/35-1962/64; 2d Ser., V. 1- July 17/Dec. 27, 1965- United States. Federal Communications Commission, 1970 Federal Communications Commission Reports United States. Federal Communications Commission, 1969 **Abolish Criminology** Viviane Saleh-Hanna, Jason M. Williams, Michael J Coyle, 2023-08-25 **Abolish Criminology** presents critical scholarship on criminology and criminal justice ideologies and practices alongside emerging freedom driven visions and practices for new world formations The book introduces readers to a detailed history and analysis of crime as a concept and its colonizing trajectories into existence and enforcement These significant contexts buried within peculiar academic histories and classroom practices are often overlooked or unknown outside academic spaces This causes the impact of criminology's racializing gendering sexualizing histories to extend and grow through criminology's creation of crime as a very limiting way of thinking about violence and what can be done about it These limitations allow the concept of crime to be weaponized and enforced through the criminal legal system **Abolish Criminology** offers an accessible critical study of criminology in written visual and poetic forms and through the perspectives of university students professors imprisoned and formerly imprisoned scholars poets and visual artists This allows readers to engage in multi sensory interdisciplinary and multi perspective teachings on criminology's often discussed but seldom interrogated mythologies on violence and danger while bringing to light the wide reaching enforcements of violence through criminology's research theories agencies and dominant cultures **Abolish Criminology** serves the needs of undergraduate and graduate students and educators in the social sciences arts and humanities It will also appeal to scholars researchers policy makers activists community organizers social movement builders and various reading groups in the general public who are grappling with

increased critical public discourse on policing and criminal legal reform or abolition **Roadtripping USA 2nd Edition** Let's Go Inc.,2007-04-03 A comprehensive guide to American cross country travel furnishes detailed descriptions of a variety of odysseys including such routes as an Eastern Seaboard trip Route 66 Highway 40 and the Al Can Highway to Anchorage along with listings of lodgings and eateries **Chained to the Desk (Second Edition)** Bryan E. Robinson,2007-10-01 As seen on 20/20 The Early Show and ABC World News Tonight Americans love a hard worker The man or woman who works eighteen hour days and eats his or her meals on the run between appointments is usually viewed with a combination of respect and awe But for many this lifestyle leads to family problems a decline in work productivity and ultimately to physical and mental collapse Chained to the Desk best selling author and widely respected family therapist Bryan E Robinson's groundbreaking book originally published in 1998 was the first comprehensive portrait of the workaholic Thousands benefited from this innovative book which profiles the myths behind this greatly misunderstood disorder and the inner psychological battle that work addicts wage against themselves Intended for anyone touched by what Robinson calls the best dressed problem of the twenty first century the author also provides an inside look into the impact on those who live and work with them partners spouses children and colleagues as well as the appropriate techniques for clinicians who treat them In this new and updated edition Robinson portrays the many different kinds of workaholism drawing on hundreds of case reports from his own original research and years of clinical practice From California to the Carolinas men and women tell of their agonizing bouts with workaholism and the devastations left in its wake struggles made all the more challenging in a world where the computer cell phone and Blackberry allow twenty four hour access to the office even on weekends and from vacation spots Adult children of workaholics describe their childhood pain and the lifelong legacies they still carry and the spouses or partners of workaholics reveal the isolation and loneliness of their vacant relationships Employers and business colleagues discuss the cost to the company when workaholism dominates the workplace Chained to the Desk both counsels and consoles It provides a step by step guide to help readers spot workaholism understand it and recover Robinson presents strategies for workaholics and their loved ones on how to cope and for people in the workplace on how to distinguish between work efficiency and workaholism **The Polytechnic** Rensselaer Polytechnic Institute,1901 *Qualitative Pathways for Publication* Carol Isaac,2024-12-24 Qualitative research cultivates exploratory ways of thinking that can serve as a vehicle to disseminate findings for researchers scientists and principal investigators However publishing requires an understanding of theoretical foundations Researchers may know to use interviews as a method but failing to explicate theory risks reviewer rejection Multitasking scholars need a succinct nuts and bolts approach This book synthesizes major qualitative scholarship and translates it to scientists and researchers to achieve pathways to publication While succinct this book is not rudimentary There is a minimum amount researchers need to know to get qualitative research published to read write and cite This book supports scientists goal oriented approach to translate scientific research into tangible benefits
