The Persistent Observer's Guide to Wine J. P. Bary, 2012-12-12 While most introductory wine books treat the subject of wine as a curriculum to be presented in more or less detail from the mind numbing complete guides to misleadingly simple ones this book keeps the focus on the reader and the challenges faced by ordinary consumers when they try to understand wine Through a series of ten engaging conversations the author coaches the reader through the steps needed to become a consummate wine consumer concentrating on common stumbling blocks pitfalls and sources of confusion Instead of presenting a curriculum in a categorical fashion this witty fast paced book shows you why learning to trust your own instincts is more important than studying diagrams of the tongue or pouring over aroma wheels when you re learning how to taste wine It explains how and why labels ratings and marketing ploys can mislead you and what the most persistent misconceptions are about serving and storing wine You ll learn how to make excellent pairings with little fuss it s not really about food how to read between reviewers lines and how to converse with sommeliers and retailers and discover whether they are trying to help you or giving you the run around Without giving you any tables charts or listings of regions and producers or requiring you to memorize a glossary of definitions before you can understand what the author is saying this book communicates all the essential skills you need to fall in love with wine and become a very savvy consumer Filled

with unique insights and down to earth practical wine advice you need to read this book so you can understand what the others are really trying to say **60 - Minute Wine Expert: Taste Wine the Master's Way** Master Sommelier Randa Warren,2018-08-10 When it comes to wine a Master Sommelier teaches Tasting wine like a pro Food and wine pairing Basics of wine etiquette Proper opening of the bottle and correct glassware Best temperatures to serve wine Randa Warren is one of 249 professionals worldwide to be a Master Sommelier She is one of only 25 females in the world with this distinction A Certified Wine Educator she also achieved a WSET Level 4 Diploma from the Wine and Spirit Education Trust Master Warren teaches wine classes in Tulsa Oklahoma and speaks nationwide on how to become a 60 minute wine expert With this book she brings a simple yet professional approach to understanding the basics of wine and wine tasting www.randawarren.com
